Chicano Studies Eugene E. García, Francisco A. Lomelí, Isidro D. Ortiz, 1977      **Chicano Studies** Eugene E. García, Francisco A. Lomelí, Isidro D. Ortiz,      *Introduction to Chicana and Chicano Studies* O Studies Department, 2019-07-18      **Chicano Studies** Michael Soldatenko, 2012-11-01 Chicano Studies is a comparatively new academic discipline Unlike well established fields of study that long ago codified their canons and curricula the departments of Chicano Studies that exist today on U S college and university campuses are less than four decades old In this edifying and frequently eye opening book a career member of the discipline examines its foundations and early years Based on an extraordinary range of sources and cognizant of infighting and the importance of personalities Chicano Studies is the first history of the discipline What are the assumptions models theories and practices of the academic discipline now known as Chicano Studies Like most scholars working in the field Michael Soldatenko didn't know the answers to these questions even though he had been teaching for many years Intensely curious he set out to find the answers and this book is the result of his labors Here readers will discover how the discipline came into existence in the late 1960s and how it matured during the next fifteen years from an often confrontational protest of dissatisfied Chicana o college students into a univocal scholarly voice or so it appears to outsiders Part intellectual history part social criticism and part personal meditation Chicano Studies attempts to make sense of the collision and occasional wreckage of politics culture scholarship ideology and philosophy that created a new academic discipline Along the way it identifies a remarkable cast of scholars and administrators who added considerable zest to the drama      **Toward A Chicano Social Science** Irene I. Blea, 1988-10-07 Although Mexican Americans comprise the United States second largest minority group most studies have provided only a historical perspective on Chicano issues In contrast *Toward a Chicano Social Science* presents an interdisciplinary approach to the study of Mexican Americans incorporating race relations theory to analyze the sociohistorical conditions of Chicanos in contemporary society A special feature of the book is its focus on Chicanos and gender roles within Chicano life a topic often neglected in other texts Written at the undergraduate level Blea's text provides a thorough analysis of both theoretical and applied issues which will aid students and professors of Chicano ethnic and women's studies sociology and social work      *Resources in Education* ,1987

**Curriculum Resources in Chicano Studies** Gary D. Keller, Rafael J. Magallán, Alma M. García, 1989 This volume contains at the under graduate level twenty course syllabi in the critical disciplines that impact the multidisciplinary field of Chicano studies At the graduate level a review of the production of Chicano focused doctoral dissertations in the arts the humanities and the social sciences is provided      **Chicano Studies** Dennis J. Bixler-Márquez, 2001      **The Ideology of the Political Movement for Chicano Studies** Raoul Contreras, 1993      *Perspectives in Mexican American Studies* ,1988\*

**Latino Studies Journal** ,2000      *Frontiers* ,1990      *A General Survey of Chicano(a) Historiography* Antonio José Ríos-Bustamante, 2000      **Beyond 1848** Michael Raúl Ornelas, 1993      **Exhibiting Mestizaje** Karen Mary Davalos, 2001

Now available in paperback Davalos offers a richly detailed study of exhibition practices among Mexican American museums and cultural centers grounding the analysis in both aesthetic and political contexts **Chicano Anthology Index** Francisco García-Ayvens,1990 Encyclopedia of Multiculturalism Susan Auerbach,1994 A general student reference of uncommon interest examining American history and society through the experience of racial ethnic national religious and other marginalized groups including children disabled people and gays and lesbians whose experiences and views have often been excluded from the mainstream of American history The encyclopedia focuses on key multicultural concepts events people places and organizations in alphabetical entries from the A Philip Randolph Institute to the anti Mexican American zoot suit riots of 1943 The shortest entries are brief 100 word biographies of significant people past and present Signed articles on major subjects such as colonialism sexual harassment assimilation and civil rights contain up to 5 000 words Many entries are accompanied by photographs maps diagrams and charts Volume 6 includes a time line multicultural resource directory filmography bibliography subject list and index Annotation copyright by Book News Inc Portland OR **Core Collection of Chicano Titles for Public Libraries** ,1989 **Making Choices for Multicultural Education** Christine E. Sleeter,Carl A. Grant,1999 The companion text to Making Choices for Multicultural Education Five Approaches to Race Class and Gender is Turning on Learning Five Approaches for Multicultural Teaching Plans for Race Class Gender and Disability Second Edition 325 pp ISBN 0 471 36445 2 While Making Choices for Multicultural Education explores concepts of race class gender and disability within a framework of five approaches Turning on Learning illustrates how to transform standard lesson plans into multicultural lesson plans within that same framework of five approaches *The Integration and Persistence of Chicano Students in Higher Education* Patrick M. Velásquez,1995 This paper examines the conditions of three public postsecondary institutions that support the persistence and development of Chicano students around San Diego California a community college campus a state university campus and a University of California campus A 99 item mailed questionnaire was completed by students who self identified as Chicano Characteristics of Chicano students result from both the sociopolitical and cultural status of their community and must be examined through their historical experiences as a subordinate group that experienced military conquest and subjugation administration of the community by non Chicanos cultural imperialism and racism Chicano students are likely to feature a historically subordinate sociopolitical status and strong elements of resistance with a complex process of mixed cultural development Constructing enabling conditions for Chicanos in institutions of higher learning involves a restructuring of values policies and practices that are embedded in the culture of each institution because of this most institutions place Chicanos at a low priority Findings in this exploratory study indicated that students held a strong bicultural Mexican American profile of themselves and that their overall perceptions of their campus institutional conditions were not equally conducive to students positive experiences Contains 39 references NAV
