**Moderne Artus-Rezeption, 18.-20. Jahrhundert** Kurt Gamerschlag, 1991 Literary Translation, Reception, and Transfer Norbert Bachleitner, 2020-09-21 The three concepts mentioned in the title of this volume imply the contact between two or more literary phenomena they are based on similarities that are related to a form of travelling and imitation or adaptation of entire texts genres forms or contents Transfer comprises all sorts of travelling with translation as a major instrument of transferring literature across linguistic and cultural barriers Transfer aims at the process of communication starting with the source product and its cultural context and then highlighting the mediation by certain agents and institutions to end up with inclusion in the target culture Reception lays its focus on the receiving culture especially on criticism reading and interpretation Translation therefore forms a major factor in reception with the general aim of reception studies being to reveal the wide spectrum of interpretations each text offers Moreover translations are the prime instrument in the distribution of literature across linguistic and cultural borders thus they pave the way for gaining prestige in the world of literature The thirty eight papers included in this volume and dedicated to research in this area were previously read at the ICLA conference 2016 in Vienna They are ample proof that the field remains at the center of interest in Comparative Literature

**Deutsche Dichtung Des 20. Jahrhunderts** Wilhelm Duwe, 1962 **Charlie Chaplin and the Nazis** Norbert Aping, 2023-12-15 Until recently it was assumed that the Nazis agitated against Chaplin from 1931 to 1933 and then again from 1938 when his plan to make The Great Dictator became public This book demonstrates that Nazi agitation against Chaplin was in fact a constant from 1926 through the Third Reich When The Gold Rush was released in the Weimar Republic in 1926 the Nazis began to fight Chaplin whom they alleged to be Jewish and attempted to expose him as an intellectual property thief whose fame had faded In early 1935 the film The Gold Rush was explicitly banned from German theaters In 1936 the NSDAP Main Archives opened its own file on Chaplin and the same year he became entangled in the machinery of Nazi press control German diplomats were active on a variety of international levels to create a mood against The Great

Dictator The Nazis dehumanizing attacks continued until 1944 when an opportunity to capitalize on the Joan Barry scandal arose This book paints a complicated picture of how the Nazis battled Chaplin as one of their most reviled foreign artists
