Child Of Demons:

Child of Demons Mason Burgess, 1988-10 **Does My Child Have a Demon? If So, What Do I Do?** Ezekiel

Benson, 2018-05-08 A child during his or her formative years has the high tendency of attracting and opening doors to the manipulative presence of devils. Many children these days manifest the works of demons in their lives and this is made possible because what they were exposed to in life during their formative years created doorways or entry points for the operations of demons. Children are at the center of the conflict between God and Satan. There is popular saying that goes thus: Catch them young. This is an earthly principle but it will shock you to know that this was originally a spiritual principle. That's why the Bible says: Train up a child in the way he should go and when he is old he will not depart from it. Proverbs 22:6. When a child has any part or department of his or her life taken over, influenced or manipulated by devils, it is easier to have that child grow up to become what the devil desires; the child becomes. It is also easy to have the child now an adult completely possessed by devils. This singular reason is why a child is the prime target of the devil. Parents are quick to excuse a child's attitude under the guise of innocence. There are no innocent thoughts, words, or actions. Each one is a part of the warfare, no matter how innocent looking or sounding they may be. It is not a matter of good or bad thoughts, words, or actions. It is a matter of whether it is from GOD or from the devil. It is a matter of its ultimate use and implication and source. This is how you know that a gradual attempt is being made by devils to woo your child into waywardness. Devils constantly inject all kinds of ideas and thoughts into the mind of a child during his or her formative years and these are what you will see them acting out, which as parents we consider to be unruly, stubborn, headstrong, or disobedient. Children don't often times know this or that is wrong and if they are not checked during their formative years, they would grow up with those character traits and get out of control. So the question is: HOW DO I KNOW THAT MY CHILD HAS A DEMON AND WHAT CAN I DO ABOUT IT? This guide was written to help you. In this guide, you will discover: How To Detect The Presence And Manifestations Of Devils In A Child; How To Supernaturally Discern the Manifestation Of Devils in A Child Through The Gift Of Discerning Of Spirits; How To Get The Gift Of Discerning Of Spirit; How To Operate In The Gift Of Discerning Of Spirit; 35 Natural Ways Of Detecting And Determining The Presence And Manifestation Of Devils In The Life Of A Child Through His Dominant And Morally Wrong Characteristic Traits And Habits; How To Detect And Determine Demonic Manifestations As Diseases In A Child; How Do You Know The Names Of The Devils In A Child That You Have To Cast Out; How To Cast Out Devils By Conducting Deliverance For A Child In Absentia.
