Child Andrea:

The Child Andrea Karin Michaëlis,1916 **The Child Andrea (Classic Reprint)** Karin Michaelis,2015-07-14 Excerpt from The Child Andrea In the eleven years that have elapsed since this book was first introduced to American readers the literature of Scandinavia has become an ever increasing factor in the world of letters During this period three Scandinavian authors have been awarded the Nobel prize and at least one of these has found a widely interested reading public in America Everywhere are signs of a growing desire on the part of American readers to rid themselves of the onus of the happy ending by a marked inclination toward books and plays that deal with life at first hand and it is in response to this growing appreciation of reality that Andrea is now republished in the hope that it will find that wider audience which its merits deserve About the Publisher Forgotten Books publishes hundreds of thousands of rare and classic books Find more at www.forgottenbooks.com This book is a reproduction of an important historical work Forgotten Books uses state of the art technology to digitally reconstruct the work preserving the original format whilst repairing imperfections present in the aged copy In rare cases an imperfection in the original such as a blemish or missing page may be replicated in our edition We do however repair the vast majority of imperfections successfully any imperfections that remain are intentionally left to preserve the state of such historical works

Laurvik Katharina Marie Bech Stangeland,1904 Beyond Child's Play Sally Edward,2017-07-05 Sustainable product design is more than eco design it goes beyond green to consider the work environment community impacts consumer health and economic viability as well as environmental attributes Beyond Child s Play explores the concept of sustainable product design in the context of the global doll making industry To initiate this research the author reviewed eco design parameters and developed criteria for sustainable product design in the doll making industry Using this framework she conducted three case studies of do I making the American Girl doll produced in China the Kathe Kruse doll produced in Germany and the Q ewar Project doll produced in Peru Themes emerged from this research that have relevance beyond the doll making industry the value of making a product with care designing work for human dignity intention and vision for sustainability the implications of materials choices and transparency and sustainability Sustainable product design calls for fundamentally new thinking By connecting the term sustainable to product we raise expectations for a radically different approach to design production and consumption This framework integrates the eco design principles of detoxification and dematerialization with the principle of humanization to ensure that the work environment where the product is made is safe and healthy and that local communities benefit from production This approach places increased responsibility on the industrial designer and decision makers throughout the supply chain including governments corporations and citizens Sustainable product design can be implemented effectively only when systems are in place that support sustainable production and consumption The Child: Andrea ...
