One Prayer](#) Holly A. Melton,2020-05 Once our children begin school time with them is greatly decreased and other people begin to influence their lives It is one of the most crucial times for us to be intentional in discipling our children But how do we do it And when can we do it with our busy schedules We disciple our children by reading the Bible discussing how to apply it to our lives and then praying together for God to continue to make us more like Him *Praying with Your Kids Before School* will guide you to do just that each day of the school year You don t have to start in August you just have to start Remember prayer changes us Prayer brings us closer to God and each other by growing in our understanding of scripture and asking Him to help us to apply it to our lives The sooner we bring this discipline into our homes the sooner God can guide us how to disciple our children in the way they should go Each week has a theme to explore in the Bible that can be prayerfully applied to you and your child s lives Every verse is also paraphrased into an easier understanding for younger children with a shorter prayer for them to recite so that the book can be used on both older and younger children At the end of each chapter there will be a blank page where you can write out a personal prayer related to the topic for your child This book becomes not only a guide on how to disciple your child but a precious keepsake of how you ve prayed for them and how God answered your prayers for your child throughout the year This one discipline that can renew our minds change our attitudes and impact our behaviors and decisions If we are faithful to spend these few minutes with God in prayer we can be transformed together to become stronger and to become more of who God wants us to be One verse one prayer just might change the trajectory of their lives *Teaching Your Child How to Pray* Rick Osborne,1997 Parents can give their children a real head start by teaching them to communicate with God *Teaching Your Child to Pray* is a book for parents grandparents Sunday school teachers and other adults who come in contact with children We give children instruction in academics arts and physical fitness and this book shows how to teach the most basic skill of all **God Is Listening When You Pray - Children's Christian Prayer Books** Baby Professor,2017-02-15 Prayers are indispensable Inculcate the power of praying to your kids with this collection Every kind of prayer for all occasions and situations is featured in this book Take your children closer to the Creator and build their faith through constant
