

Children used as pawns

Another crucial issue is when one parent uses the children as pawns as a means of vindictively hurting the other parent. In the same Dail debate Feb. 2015, Deputy Alan Shatter said:

"There is an enormous problem, where people are estranged, of the primary custodial parent, who most often is the mother, deliberately obstructing fathers from accessing children. They are using children as pawns, going to war with fathers, causing some fathers to have nervous breakdowns, and destroying relationships deliberately between children and fathers."
