

A sunset scene with a path leading towards the sun. The sun is a bright orange circle in the center of the sky, surrounded by a hazy orange glow. The sky transitions from orange to a deep blue. In the foreground, a path of light leads from the bottom center towards the sun. On the left, there are dark silhouettes of evergreen trees. On the right, there are bare, dark branches of a tree. The overall mood is peaceful and contemplative.

Your children are not your children. They are  
the sons and daughters of Life's longing for  
itself. They come through you but not from you.  
You may give them your love but not your  
thoughts. For they have their own thoughts.
