Children Of Satan:

The Devil You Don't Know William Landon, 2006-09-25 There are many traditional concepts of the devil in organized religion as well as in popular myth and culture. Nearly every worldview has an explanation for the evil we see in our daily life experiences. While we may not like to think much about the darker side of life, we instinctively seek a reason or cause for the negative parts of our experience in this world. In most of the explanations of evil, there is some personification of hurt and suffering called Satan, the devil, the evil one, or some other name. The Bible tells us a great deal about the enemy of God and humanity, including the fact that he is bent on hurting God by harming us. Given the fact that Satan is dedicated to harming us, we would do well to have as clear and accurate an understanding of him as we can. Our best defense against any opponent is to know how they operate, what they are capable of, and what their limitations and weaknesses are. Fortunately, we can do this without succumbing to an unhealthy level of obsession about the foe of all humanity. In this book, you will find a nontraditional explanation of where and how Satan operates within humanity. This view deserves a hearing, as the prevailing ideas about the devil's working don't seem to be terribly effective for the purpose of aiding us in overcoming our adversary. Some may find the idea of a personal devil, Satan in the flesh, a disturbing or insulting concept. If you will give it a careful hearing, however, this unorthodox idea may just be a key understanding in your successful resistance to the evil one's desire to harm you.

Child of God Or Child of the Devil? Robert Adams, 2019-09-30 Today many churches have embraced easy believism, mental assent to all the facts about Jesus will get them to heaven. They say they believe, have faith in, or have put their trust in the following Scripture: GOD SO LOVED THE WORLD THAT HE GAVE HIS ONE AND ONLY SON THAT WHOEVER BELIEVES IN HIM WILL HAVE EVERLASTING LIFE. JOHN 3:16 NIV. I think these people do believe everything about Jesus: from His being deity, took on the form of man, was sinless, took on their sin, was punished, crucified, arose from the grave on the third day, is in heaven now, and will be the final judge of both the children of God and the children of the devil. However, the demons also believe everything from Jesus' incarnation to the fact he will be their final judge. When Jesus approached the demon-possessed man, the demons said, "What do you want with us, son of God? Have you come to torture us before the appointed time?" Matthew 8:29 NIV. In Matthew 7:21, at the final judgement, Jesus tells people who have been prophesizing in His name, casting out demons in His name, and even doing miracles in His name, "Depart from me, I never knew you. We know the demons are not going to heaven, but what is missing in the lives of the people who do miraculous things in Jesus' name? Furthermore, Jesus in three of His parables tells us about people that act like, think like, and believe they are Christians, children of God, but they are not. Believing in Jesus means not only believing in what He did for us, but what He said. Jesus says there are three other things we must do to become a child of God. Other Scriptures declare other requirements for becoming a child of God. This book challenges us to examine ourselves to see if we have met and committed to all those requirements.

When God has God's fully matured people, God's plan for the universe will be completed. H.S. Ryu, 2026-03-28

This book talks about the deep spiritual meaning of faith describing it not just as a list of beliefs but as a living changing experience based on a personal relationship with Jesus Christ True faith always leads to spiritual battles since the world and dark forces oppose those who live according to God's values The author points out that the goal of the Christian life is to grow beyond just being saved toward spiritual maturity where believers fully rely on God's power This growth involves going through a wilderness of tests where believers must reject rules and human efforts and instead seek a direct heavenly revelation By focusing on Christ and staying humble the believer finds real freedom and strength In the end God's plan will be fulfilled when the Church reaches this full maturity and reflects Christ's character

Satan, You Can't Have My Children Iris Delgado, 2011-06-07 Satan You Can't Have My Children provides clear powerful spiritual tools that can be used to nurture and raise godly children One chapter is filled with Scripture based prayers that can be used by readers to pray for their children young and old This book is a tool for showing parents that with God the impossible is possible To the parent struggling with a disobedient or rebellious child this book provides calming encouragement and godly principles that can bring about a transformation in the home It reinforces the promise that God's power is greater than the power of the enemy over their children's lives It taps into the supernatural power of the Holy Spirit to aid parents and it advises readers Never give up in the face of adversity Prepare yourself to see the Word of God in action in the lives of your children and believe that God will perform His Word

Satan's Children Georges Simenon, 1953 **What You Need to Know and Do as a Human Being** Joseph Ngoma, 2025-10-16 A Call to Reflect and Act In What You Need to Know and Do as a Human Being we've journeyed through the essential aspects of life that define who we are and how we fulfill our roles in the world At the heart of these discussions is the family God's divine institution designed to reflect His love and authority on Earth This book invites you to embrace your role within your family and understand the spiritual significance of marriage parenthood and identity From the sacred nature of marriage as a covenant to the responsibilities of parenthood and family management this book encourages a return to biblical principles and the values that strengthen our homes It challenges the growing cultural trends that undermine the family and provides practical guidance on how to overcome the challenges of broken homes divorce and irresponsible behavior Most importantly it reminds us that our roles within the family are not passive but active We are called to nurture protect and grow together reflecting God's love truth and authority in all that we do As we embrace these truths we not only fulfill our personal calling but also participate in God's greater plan for humanity Let this book inspire you to reflect on your own family dynamics and take intentional steps to build stronger more resilient relationships In doing so you'll contribute to a society that values the sanctity of the family and honors God's design
