

Children Everywhere

Florence Koenderink

Children Everywhere:

Children Everywhere second edition Florence Koenderink,2018-01-16 The second edition of Children Everywhere Book 1 is an institutional childcare manual It gives practical information illustrated with over 300 photos about the elements of care that are needed to improve care in a children s home or orphanage Elements such as hygiene food sleep safety and children s essential basic needs make up the first part of the book The second part of the book gives information about child development and basic child psychology including advice on effective use of rules and discipline The third part of the book gives advice on how to effectively set up and run a children s home Including a look at different kinds of set ups how to deal with staff essential elements of good management dealing with day to day issues and ethical aspects to running a children s home The aim of the manual is to improve the survival rate and quality of life of children in childcare institutions all over the world

Volunteers with Children Everywhere Florence Koenderink,2017 Volunteers with Children Everywhere the 3rd book in the Children Everywhere Series gives information and support to people who are thinking about volunteering in children s homes abroad Part 1 helps you make sure you make the right decisions for your situation that you are prepared as well as possible for what you can expect and what you will need Part 2 explains some of the things you will encounter once you arrive and get to work and gives advice on how to avoid certain pitfalls to make sure your well intentioned help does not do more harm than good And because most volunteers do not have childcare experience Part 3 gives a mini crash course in childcare The aim is to both make your volunteering experience pleasant and to make sure the children will really benefit from it

Intellectual Disability Among Children Everywhere Florence Koenderink,2018 Intellectual Disability Among Children Everywhere is the 4th manual in the Children Everywhere series This manual specifically addresses the special care needs of children with intellectual disabilities in a way that is relevant both for people running children s homes and for people training specialised foster carers or small group home carers Part 1 of the book helps you understand what intellectual disability means and the physical and behavioural issues that you are likely to encounter as well as giving advice on how to handle these and how to help the children become as independent as possible Part 2 gives information about commonly associated conditions such as cerebral palsy Down s syndrome autism seizure disorders and mental health problems In Part 3 the management and care structures that are necessary for adequate care for children with special needs are discussed The aim of the book is to improve the health and quality of life of the children and to give them a better future
