## **Children Of Mauritania:**

The Children of Mauritania Lauren Goodsmith,1993 Follows the lives of two children from two of Mauritania s cultural groups a Moorish girl and a Halpoular boy *The Department of Labor's ... Findings on the Worst Forms of Child Labor* ,2003 *The Oxford Handbook of Children's Rights Law* Jonathan Todres,Shani M. King,2020 This book is a foundational interdisciplinary volume on children s rights that is relevant to scholars practitioners and students with an interest in children s rights human rights family law and related topics With contributions from leading experts in the field of children s rights this book provides both in depth analysis of children s rights as a discipline and maps the critical issues for advancing children s rights today and in the future Enforcing Mauritania's Anti-Slavery Legislation Rebecca Martin,2015 Despite the passing of an anti slavery law in 2007 slavery remains widespread in Mauritania particularly among the country s large Haratine population Those living in slavery are regularly beaten intimidated forcibly separated from their families and subjected to a range of other human rights violations including sexual assault Enforcing Mauritania s Anti Slavery Legislation The Continued Failure of the Justice System to Prevent Protect and Punish a joint publication by Anti Slavery International ASI Minority Rights Group International MRG Society for Threatened Peoples STP and the Unrepresented Nations and Peoples Organization UNPO outlines the systematic failures of Mauritania s justice system to provide redress to slavery victims While the 2007 legislation contained a range of provisions criminalizing slavery with specified penalties for its perpetrators its implementation has in practice been obstructed by a persistent failure to identify or prosecute incidents of slavery Drawing on a number of documented case studies the report highlights how anti slavery provisions are routinely violated at every stage of legal proceedings with police prosecutors and judicial representatives frequently refusing to process reported cases of slavery or take adequate legal action against those guilty of the practice As a result this abusive practice continues to flourish in a climate of impunity Consequently the approval in August 2015 of a new anti slavery law strengthening the provisions of the previous legislation and expanding its definitions though a welcome step forward is unlikely to address the root causes of the practice without sustained commitment from Mauritanian authorities at every level In addition many of its provisions fall short of those recommended by the UN and human rights activists The report therefore outlines a series of recommendations to realize Mauritania s commitment to eradicate slavery with an emphasis on further legal reform increased capacity for anti slavery enforcement training of officials greater empowerment of civil society organizations and a comprehensive system of support for slavery victims *Bulletin of the Center for Children's Books* ,1994-03 **Five Years After Stockholm** ,2001 Examines the impact of the Stockholm Agenda on the work of a variety of actors in overcoming the commercial sexual exploitation of children Highlights the successes and difficulties faced in implementing the Agenda and provides country reports on progress made **Landmark ruling on Mauritania's continued failure to eradicate child slavery** Emelie Kozak,2018-07-11 Despite being banned by law slavery and slavery

like practices remain widespread in Mauritania with thousands of men women and children most of whom belong to the marginalized Haratine ethnic group still trapped in servitude To a large extent impunity for these crimes has been enabled by the failure of authorities to take action against the perpetrators leaving victims unprotected and with little or no access to justice To address this Minority Rights Group International MRG in partnership with Mauritanian NGO SOS Esclaves and Anti Slavery International has for years been working to secure recognition of these rights violations and ensure authorities take concrete measures to implement anti slavery legislation including adequate investigation and prosecution of those responsible While there have been some positive steps in recent years including the passing in 2007 of the country s first anti slavery legislation implementation and enforcement of its provisions have been almost non existent In November 2011 in the first prosecution under the 2007 Anti Slavery Law Ahmed Ould El Hassine was found guilty of holding two brothers Said and Yarg Ould Salem in slavery and depriving them of schooling Despite this apparent milestone however the sentences imposed were well below the minimum terms stipulated by the law and the slave master was subsequently released on bail just four months after his conviction In response MRG and SOS Esclaves brought a case before the African Committee of Experts on the Rights and Welfare of the Child In December 2017 the Committee ruled that Mauritania had failed to take adequate measures to prevent prosecute and remedy slavery and found multiple violations of its obligations to protect children s rights under the African Charter on the Rights and Welfare of the Child The background and implications of this groundbreaking ruling are discussed in detail in this briefing In light of a subsequent decision by the Mauritanian Supreme Court in April 2018 in relation to the case of Said and Yarg which apparently failed to consider the Committee s ruling it is more important than ever to raise awareness about the proper application of anti slavery laws in Mauritania for the benefit of other slavery victims
