Children Of My Soul:

Genealogical Memoirs of the Extinct Family of Chester of Chicheley Robert Edmond Chester Waters,1878 The Chester family of England *The Soul's Long Journey* Edward Reaugh Smith,2003 Here are amazing insights showing reincarnation to be deeply and powerfully revealed in the Bible s most fundamental aspects How and why have these insights escaped attention for so long At last they are uncovered here by a confluence of conventional Bible study and the epochal spiritual discoveries of Rudolf Steiner With particular emphasis on the organic provisions of the Old Testament Smith shows both what the assumptions of the Master s hearers were and how the New Testament confirms the ancient heritage Arising from the fullness of the canon is an exciting story of the long journey of humanity and every human soul each a beloved sheep whom the Creator is unwilling to lose Combining a lifetime of biblical study and teaching fifteen years investigating and contemplating Rudolf Steiner s vast works and almost three decades of applying the analytical skill required in an intense law practice Smith has produced a potential classic the serious Bible student can ill afford to ignore *Children of My Soul* Tina Kc-Motluck,2005-04-21 Children of My Soul consists of raw and unedited poetry written by a self taught poet These poems speak of love pain and life and death it also tells of a life long struggle of living with a fatal disease and how death is at every turn This book also deals with loss lust And The many emotions of life From the poem Dear Death which deals with death and living as one with it To and Then There Was Me that is about the loss of friends that have battled the same illness as Tina and lost these poems find the author questioning many of life s realities and delusions There are poems dedicated to many people who have made an impact in her life both good and bad It s interesting to follow her life if only for a while Just when you are filled with the author s pain you read Cider the Spider or Booger s and realize there s more to Tina than just suffering After reading this book it s not too hard to see what makes these poems And The author so special and an inspiration to all *The school and children's Bible, prepared under the superintendance of W.
