Children Of The Magi:

Children of the Magi Christopher H. Crossan, 2021 Few societies on earth are as privileged as the Kurds and Persians Unlike other geographic regions the people living in Mesopotamia the Zagros mountains and Persia have witnessed some of the key historical events affecting all humanity which were recorded in the sacred writings of the Jews These include the dispersion of Noah s grandchildren the building of the tower of Babel Jonah and Nahum s warnings to Nineveh the deportation of the Jews the arrival of the prophet Daniel the rise of Queen Esther the commissioning of Ezra the high priest and the visit of the Magi to Bethlehem Four Medo Persian kings Darius Cyrus Xerxes and Artaxerxes are mentioned in these writings Furthermore the primeval events of history took place in Mesopotamia including the creation of Adam and Eve the garden of Eden the fall of man early human civilization and the great flood Sadly today s Kurds and Persians know little of their sacred history This book is an attempt to re introduce them to their rich inheritance namely the revelation of the Most High God and to enlighten readers from other cultures who would also like an encounter with the central character of human history This is a layman s introduction with mostly biblical narratives This second edition includes several new chapters with illustrations Page 4 of cover
