Of Kind:

Donne and the Resources of Kind A. D. Cousins, Damian Grace, 2002 Thus they suggest how his drawing on the resources of kind illuminates at once his own writings and their interactions with those of his literary predecessors and contemporaries They suggest as well what his dealings with genre imply about his dealings with social and political authority in his world for example about his dealings with the courtly world and its ideologies with specific patrons with religious doctrine and controversy BOOK JACKET

Lectures on Non-linear Plasma Kinetics Vadim N. Tsytovich, 2012-12-06 Lectures on Non linear Plasma Kinetics is an introduction to modern non linear plasma physics showing how many of the techniques of modern non linear physics find applications in plasma physics and how in turn the results of this research find applications in astrophysics Emphasis is given to explaining the physics of nonlinear processes and the radical change of cross sections by collective effects The author discusses new nonlinear phenomena involving the excitation of coherent nonlinear structures and the dynamics of their random motions in relation to new self organization processes He also gives a detailed description of applications of the general theory to various research fields including the interaction of powerful radiation with matter controlled thermonuclear research etc
