1400 Days The Civil War Day By Day:

1400 Days Chris Bishop, 1990 Day by day entries of the Civil War with over sixty birds eye illustrations of all the land and naval actions **1400 Days** Chris Bishop, Ian Drury, 1990-01-01 Milit rhistorisk og krigshistorisk opslagsv rk referencev rk om den Amerikanske Borgerkrig 1861 1865 mellem Nordstaterne Unionen og Sydstaterne Konf derationen Denne engelske bog fra 1990 er et nemt og overskueligt opslagsv rk som beskriver den lange blodige og bitre borgerkrig tidskronologisk udviklingen i krigsbegivenhederne fra dag til dag Bogen er i stort format og fint illustreret i tegninger farve

Night Owl Reviews Magazine, Issue 12 , A Buff Looks at the American Civil War Shon Powers, 2011-04 There have been thousands of books put out about the Civil War but none by a Civil War Buff so I wrote one This book was a produce of five years work and puts the war in a way that casual fans of the war will be surprised at what took place This book is in three parts Civil War Timeline the events battles politics and personal observations of those who were a part of the war Things that any good soldier of the Civil War should know the weapons uniforms food duties marching fighting medical advice and slang with a little tribute to the Navy and Marines Amazing Facts starting with the issues this part displays many facts that usually do not make it into the history books *The American Civil War Novel, 1900-1910* Birdie Ruth Travis, 1993

Such Anxious Hours Jo Ann Daly Carr, 2020-01-07 Letters from soldiers to their families often provide prominent narratives of the Civil War But what about the messages from the women who maintained homes and farmsteads alone all while providing significant emotional support to their loved ones at the front The letters and diaries of these eight women echo the ever growing horrors of the conflict and reveal the stories of the Wisconsin home front Twenty one year old Emily Quiner sought a way to join the war effort that would feed her heart and mind Annie Cox wrote to her pro slavery fianc to staunchly defend her abolitionist principles Sisters Susan Brown and Ann Waldo faced the unexpected devastation that each battle brought to families In *Such Anxious Hours* Jo Ann Daly Carr places this material in historical context detailing what was happening simultaneously in the nation state and local communities Civil War history enthusiasts will appreciate these enlightening perspectives that demonstrate the variety of experiences in the Midwest during the bloody conflict **Tracing Your Alabama Past** Robert Scott Davis, 2011-09-06 Searching for your Alabama ancestors Looking for historical facts Dates Events This book will lead you to the places where you ll find answers Here are hundreds of direct sources governmental archival agency online that will help you access information vital to your investigation *Tracing Your Alabama Past* sets out to identify the means and the methods for finding information on people places subjects and events in the long and colorful history of this state known as the crossroads of Dixie It takes researchers directly to the sources that deliver answers and information This comprehensive reference book leads to the wide array of essential facts and data public records census figures military statistics geography studies of African American and Native American communities local and biographical history internet sites archives and more For the first time Alabama researchers are offered a how to book that is not just a

bibliography Such complex sources as Alabama s biographical genealogical materials federal land records Civil War era resources and Native American sources are discussed in detail along with many other topics of interest to researchers seeking information on this diverse Deep South state Much of the book focuses on national sources that are covered elsewhere only in passing if at all Other books only touch on one subject area but here for the first time are directions to the Who What When Where and Why

How Robert E. Lee Lost the Civil War Edward H. Bonekemper,1997 This book challenges the general view that Robert E Lee was a military genius who staved off inevitable Confederate defeat against insurmountable odds Instead the author contends that Lee was responsible for the South s loss in a war it could have won Instead as this book demonstrates Lee unnecessarily went for the win squandered his irreplaceable troops and weakened his army so badly that military defeat became inevitable It describes how Lee s army took 80 000 casualties in Lees first fourteen months of command while imposing 73 000 casualties on his opponents With the Confederacy outnumbered four to one Lee s aggressive strategy and tactics proved to be suicidal Also described arc Lee s failure to take charge of the battlefield such as on the second day of Gettysburg his overly complex and ineffective battle plans such as those at Antietam and during the Seven Days campaign and his vague and ambiguous orders such as those that deprived him of Jeb Stuart s services for most of Gettysburg Bonekemper looks beyond Lee s battles in the East and describes how Lee s Virginia first myopia played a major role in crucial Confederate failures in the West He itemizes Lee s refusals to provide reinforcements for Vicksburg or Tennessee in mid 1863 his causing James Longstreet to arrive at Chickamauga with only a third of his troops his idea to move Longstreet away from Chattanooga just before Grant s troops broke through the undeemanned Confederates there and his failure to reinforce Atlanta in the critical months before the 1864 presidential election Bonekemper argues that Lee s ultimate failure was his prolonging of the hopeless and bloody slaughter even after Union victory had been ensured by a series of events the fall of Atlanta the re election of Lincoln and the fall of Petersburg and Richmond Finally the author explores historians treatment of Lee including the deification of him by failed Confederate generals attempting to resurrect their own reputations Readers will not fred themselves feeling neutral about this stinging critique of the hero of The Lost Cause

Civil War ,1998 Proceedings of the ... Annual Convention of the Ladies of the Grand Army of the Republic Ladies of the Grand Army of the Republic. Department of Kansas,1922

Fred and Jennie Frederick Allen Lucas,Sarah Jane Wadhams,2002 Gunsmoke Over the Atlantic Jack D. Coombe,2002 On April 12 1861 the Civil War began when shots were fired on an unfinished fort in Charleston Harbor From that thunderous opening salvo the naval battles to control the Atlantic coast that followed daring savage and often deadly were not only crucial in determining the outcome of the war and the fate of a nation but would change the face of naval warfare forever GUNSMOKE OVER THE ATLANTIC Historian Jack D Coombe author of the critically acclaimed Thunder Along the Mississippi and Gunfire Around the Gulf combines brilliant research with a novelist s flair for re creation to put us directly into the action of the Civil War on river on shore and at sea In

this vivid account we experience the soul gnawing terror of a bombardment the claustrophobic confines of a still unproven submarine and the smoke choked chaos of a harbor in the grips of a full bore naval engagement between two desperate enemies Coombe focuses on the Civil War as it was fought along the Atlantic coast a fierce contest of blockaders and blockade runners ironclads wood hulled battleships land cannon submarines and the first underwater antiship weapons For the North the challenge was to implement a blockade over 3 500 miles of Confederate coastline from Virginia to Texas To do so they would have to modernize an ineffective and outdated U S Navy fallen into incompetence and disrepair For the South the challenge was to create a fledgling navy from whatever meager resources were at hand The Confederacy patched together a navy of river runners and converted battleships turned cornfields into shipyards and put the first ironclad battleship into action And it was the South that introduced the new concept of underwater weaponry sending spar torpedoes mines submarines and a few incredibly brave men willing to deploy them into battle against the North Gunsmoke over the Atlantic chronicles the key engagements from the Monitor and the Virginia dueling at Hampton Roads to the ill fated campaign against Fort Fisher Along the way we meet a remarkable cast of naval strategists and warriors on both sides of the battle witness the crucial often deadly role played by the weather and the sea itself and get a vivid view of such important events as the first amphibious landing in history at Cape Hatteras in 1861 An important work for students of the Civil War and of naval history this book fills in missing pieces of America s most tragic war and shows why when the guns finally fell silent a new era had begun Four years after the fall of Fort Sumter a once divided country had the beginnings of the most powerful navy in the world *Journal of the ... Annual Encampment of the Grand Army of the Republic, Department of Kansas ...* Grand Army of the Republic. Dept. of Kansas,1923 **A Victor, Not a Butcher** Edward H. Bonekemper,2004 Civil War buffs will be enlightened entertained and infuriated by this passionate and provocative military biography of Ulysses S Grant which includes photos and maps *AB Bookman's Weekly* ,1993 **The Mississippi Valley in the Civil War** John Fiske,1902 LC copy incomplete v 12 only Vols 1 4 Outlines of cosmic philosophy v 5 Myths and myth makers v 6 The unseen world and other essays v 7 Excursions of an evolutionist v 8 Darwinism and other essays v 9 Studies in religion v 10 A century of science v 11 The Mississippi Valley in the Civil War v 12 Civil government in the United States **History of American Steam Navigation** John Harrison Morrison,1908 *History of the American Civil War: Containing the events from the inauguration of President Lincoln to the proclamation of emancipation of the slaves* John William Draper,1871 **Heritage Quest** ,2000 **Holy-days and holidays, a treasury of historical material, sermons, poetry [&c.] relating to holy days and holidays, compiled by E.M. Deems** Holy days,1902
