15 Ways to Nourish Your Faith Susan Shannon Davies,1998 Acknowledging that different people need different paths to God the author explores a wide range of ways in which the spiritual life can be enhanced and the soul nourished

**Devotions for Caregivers** Marilyn Driscoll,2006 Often when we think about those who are sick or homebound we think only of the patient and rarely realize that there is a caregiver who is equally tied to the home and the restrictive schedule of the illness This book is comprised of easy to read and digest devotional prayers each supplication based on a biblical reading AND containing a brief concluding prayer A suggested Stop For A Minute section after the final brief prayer allows a moment for the reading from Scripture to sink in and hopefully help the exhausted caregiver refuel spiritually and emotionally Not a grief resource book but rather a book to help caregivers care for themselves too this work makes a thoughtful gift for anyone who spends him herself in taking care of others Highlights the devotional thoughts are short and to the point specifically directed to the caregiver easy to read a spiritual drink for those short on time theset daily devotions are unique in their specific application to the world of the caregiver

**The Threefold Way of Saint Francis** Murray Bodo,2000 A spiritually practical work inspired by St Francis that invites us to love God through ourselves others and the natural world

**The Love That Keeps Us Sane** Marc Foley,2000 Seeing life in light of Eternity This is not a book about using Th r se s little way as a path to holiness Th r se s spirituality is often dismissed as cloyingly sweet and sentimental useless for modern seekers This new IlluminationBook uncovers how Th r se s sweetness was just a stylistic convention expected in the religious writing of her day Beneath the form says the author is a straightforward spirituality that offers a practical concrete and very realistic method for preserving one s sanity in an often insane world At the heart of Th r se s method is learning how to keep one s perspective by seeing all things in light of eternity seeing all things the way God sees This enables one to live more authentically and more attentively The method helps readers to become involved in life without being absorbed by it to love without becoming enmeshed and to deal with life s absurdities without losing faith or peace of mind Five simple everyday choices help foster this perspective and transform ordinary life into moments of true grace Those already devoted to the Little Flower will love this fresh new look at her spirituality In addition the book makes for enlightening and perhaps surprising reading for pastors clergy and religious directors of religious ed retreat directors chaplains and family counselors The principle of viewing life in light of eternity can also provide comfort and relief for parents dealing with children for those experiencing change or loss and for people in therapy
