1671 Census Of The Delaware:

1671 Census of the Delaware Peter Stebbins Craig, 1999 The census area is governed by several state jurisdictions including Burlington County New Jersey Philadelphia and Delaware counties in Pennsylvania and New Castle County including Wilmington in Delaware *Red Book* Alice Eichholz, 2004 Rev ed of Ancestry's red book Rev ed c1992 [The Source](#) Loretto Dennis Szucs, Sandra Hargreaves Luebking, 2006 Genealogists and other historical researchers have valued the first two editions of this work often referred to as the genealogist's bible The new edition continues that tradition Intended as a handbook and a guide to selecting locating and using appropriate primary and secondary resources The Source also functions as an instructional tool for novice genealogists and a refresher course for experienced researchers More than 30 experts in this field genealogists historians librarians and archivists prepared the 20 signed chapters which are well written easy to read and include many helpful hints for getting the most out of whatever information is acquired Each chapter ends with an extensive bibliography and is further enriched by tables black and white illustrations and examples of documents Eight appendixes include the expected contact information for groups and institutions that persons studying genealogy and history need to find [Red Book, 3rd edition](#) Alice Eichholz, 2004-01-01 No scholarly reference library is complete without a copy of Ancestry's Red Book In it you will find both general and specific information essential to researchers of American records This revised 3rd edition provides updated county and town listings within the same overall state by state organization Whether you are looking for your ancestors in the northeastern states the South the West or somewhere in the middle Ancestry's Red Book has information on records and holdings for every county in the United States as well as excellent maps from renowned mapmaker William Dollarhide In short the Red Book is simply the book that no genealogist can afford not to have The availability of census records such as federal state and territorial census reports is covered in detail Unlike the federal census state and territorial census were taken at different times and different questions were asked Vital records are also discussed including when and where they were kept and how **Separate Paths** Jean R. Soderlund, 2022-07-15 Winner of the 2024 McCormick Prize from the New Jersey Studies Academic Alliance *Separate Paths* Lenapes and Colonists in West New Jersey is the first cross cultural study of European colonization in the region south of the Falls of the Delaware River now Trenton Lenape men and women welcomed their allies the Swedes and Finns to escape more rigid English regimes on the west bank of the Delaware offering land to establish farms share resources and trade In the 1670s Quaker men and women challenged this model with strategies to acquire all Lenape territory for their own use and to sell as real estate to new immigrants Though the Lenapes remained sovereign and old settlers retained their Swedish Lutheran religion and ethnic autonomy the West Jersey proprietors had considerable success in excluding Lenapes from their land The Friends believed God favored their endeavor with epidemics of smallpox and other European diseases that destroyed Lenape families and communities Affluent Quakers also introduced enslavement of imported Africans and Natives

and the violence that sustained it to a colony they had promoted with the liberal West New Jersey Concessions of 1676 77 Thus they defied their prior experience of religious persecution and their principles of peaceful resolution of conflict equality of everyone before God and the golden rule to treat others as you wish to be treated Despite mutual commitment to peace by Lenapes old settlers and Friends Quaker colonization had similar results to military conquests of Natives by English in Virginia and New England and Dutch in the Hudson Valley and northern New Jersey Still in alliance with old settlers Lenape communities survived in areas outside the focus of English colonization in the Pine Barrens upper reaches of streams and Atlantic shore

A Storied Past: Collections of the Historic Odessa Philip Zimmerman, 2023-06-07 A Storied Past Collections of the Historic Odessa captures the historical character and significance of two important late 18th century houses each of which retains a high percentage of original furnishings and locally made objects Over the past several years the collections have undergone careful examination and interpretation One hundred are published along with four interpretive chapters Relatively few historic sites have received this level of investigative treatment Additionally several of the hitherto unpublished objects relate to others already in the decorative and fine arts lexicon Using rich archival and genealogical sources Philip D Zimmerman brings to light here for the first time an extraordinary array of decorative and fine arts from the collections at the Historic Odessa Foundation This well documented group of family objects provides an intimate glimpse into the daily life of members of the Corbit and Wilson families in the late eighteenth and early nineteenth centuries and also sheds light on the history of Odessa Delaware and the larger region Particularly strong holdings of furniture made by John Janvier and his talented sons and nephew allow informative contrasts with products made in Delaware Philadelphia and elsewhere Needlework and other textiles made by Corbit and Wilson women characterize their handiwork Other objects tell other stories Some labeled by their nineteenth century owners for posterity document evolving trends in early collecting and historic preservation The richly illustrated book includes more than 200 photographs including many details and historic images along with careful physical descriptions and historical documentation Meticulously researched and elegantly written A Storied Past illuminates a wealth of furnishings works of art and artifacts with common provenances and interlocking histories and places them into the artistic social and historical contexts of their time The collections documented here furnish the Corbit Sharp 1774 and Wilson Warner 1769 houses built on adjoining lots by a tanner and a merchant and now maintained by the Historic Odessa Foundation Subsequent generations valued and preserved the two houses and many furnishings The Wilson house opened in 1923 as the first historic house museum in Delaware The Corbit house remained in family hands until H Rodney Sharp bought it in 1938 to preserve it Furniture owned in the family of John Janvier the noted cabinetmaker in Odessa was added in the 1970s and the Foundation has continued to acquire Corbit and Wilson family furnishings as well as locally made furniture in the years since Those interested in historic houses and late 18th and early 19th century life American antique collectors especially of furniture and those with local interests will find this book
