1850 Barnwell District South Carolina Census Lawrence E. Jarrell,2000-01-01 Complete transcription of the Free Schedule U S Federal Census Includes the current counties of Bamberg and Barnwell and most of Aiken and Allendale J3298HB 20 00 *1850 Barnwell District South Carolina Census: Current Counties of Bamberg and Barnwell and Most of Aiken and Allendale South Carolina* ,2000 *1850 US Census Barnwell County-South Carolina* Dr. John F. Schunk, Race and the Law in South Carolina John Wertheimer,2023-01-17 This first title in the Law Literature Culture series uses six legal disputes from the South Carolina courts to illuminate the complex legal history of race in the U S South from slavery through Jim Crow The first two cases one criminal one civil both illuminate the extreme oppressiveness of slavery The third explores labor relations between newly emancipated Black agricultural workers and white landowners during Reconstruction The remaining cases investigate three prominent features of the Jim Crow system segregated schools racially biased juries and lynching respectively Throughout the century under consideration South Carolina s legal system obsessively drew racial lines always to the detriment of non white people but it occasionally provided a public forum within which racial oppression could be challenged The book emphasizes how dramatically the degree of legal oppressiveness experienced by Black South Carolinians varied during the century under study based largely on the degree of Black access to political and legal power Recent arguments in African American History have emphasized the theme of continuity *Race and Law in South Carolina* recovers the theme of change over time by showing just how things have changed and it does so through patient thick description H Robert Baker Georgia State University This book and its concomitant student project is an exciting endeavor The cases are captivating and accessibly written making this a possible college classroom read Vanessa Blanck Rowan University **The South Carolina Magazine of Ancestral Research** ,1999 Planting a Capitalist South Tom Downey,2009-08-01 This is a pathbreaking book well grounded in the appropriate documentary record Downey makes especially good use of the reports of the South Carolina Canal and Rail Road Company and of other corporations which are so tedious to read to offer an exciting and fresh perspective on an old problem of vital importance the relationship between businessmen and planters in the Old South *American Historical Review* Downey s book has many merits First of all it successfully presents a comprehensive and harmonious picture of the development of the region Second it helps to better define the contours of the long misunderstood southern political economy and its transformations during the latter part of the antebellum era It is indeed a well written and well thought piece of historiography showing in microcosm how a new synthesis of antebellum southern history should be conceived *Enterprise and Society*In *Planting a Capitalist South* Tom Downey effectively challenges the idea that commercial and industrial interests did little to alter the planter dominated political economy of the Old South By analyzing the interplay of planters merchants and manufacturers Downey characterizes the South as a sphere of contending types of capitalists agrarians with land and slaves versus commercial and

industrial owners of banks railroads stores and factories His book focuses on the central Savannah River Valley of western South Carolina an influential political and economic region and the home of some of the South s leading states rights and proslavery ideologues which also spawned a number of inland commercial towns one of the nation s first railroads and a robust wage labor community As such western South Carolina provides a unique opportunity for looking at contrasting economic forces but solely within the boundaries of the South slavery vs free labor industrial vs agricultural urban vs rural A revisionary study Planting a Capitalist South offers clear evidence of a burgeoning transition to capitalist society in the Old South Downey s book is a welcome new addition to the growing corpus of studies seeking to understand the lives of white merchants and manufacturers Well written and researched Downey s excellent work will add greater nuance to our picture of the social and economic life of the Old South particularly our picture of the emerging southern middle class Georgia Historical Quarterly Planting a Capitalist South makes several important contributions The idea that commerce and industry challenged tenets of republican ideology may be a familiar one but Downey pursues it in directions seldom explored by previous historians of the Old South examining conflicts over issue like railroad routes water rights and the power of town governments Moreover he links those subjects to historians debates about the capitalist character of the region and he stakes out an innovative position with his argument that the late antebellum South was in the midst of a transition to capitalism Business History Review

**James Henry Hammond and the Old South** Drew Gilpin Faust, 1985-07 From his birth in 1807 to his death in 1864 as Sherman s troops marched in triumph toward South Carolina James Henry Hammond witnessed the rise and fall of the cotton kingdom of the Old South Planter politician and an ardent defender of slavery and white supremacy Hammond built a career for himself that in its breadth and ambition provides a composite portrait of the civilization in which he flourished A long awaited biography Drew Gilpin Faust s James Henry Hammond and the Old South reveals the South Carolina planter who was at once characteristic of his age and unique among men of his time Of humble origins Hammond set out to conquer his society to make himself a leader and a spokesman for the Old South Through marriage he acquired a large plantation and many slaves and then through their coerced labor shrewd management practices and progressive farming techniques he soon became one of the wealthiest men in South Carolina He was elected to the United States House of Representatives and served as governor of his state Evidence that he sexually abused four of his teenage nieces forced him to retreat for many years to his plantation but eventually he returned to public view winning a seat in the United States Senate that he resigned when South Carolina seceded from the Union James Henry Hammond s ambition was unquenchable It consumed his life directed almost his every move and ultimately in its titanic calculation and rigidity destroyed the man confined within it Like Faulkner s Thomas Sutpen Faust suggests Hammond had a design a compulsion to direct every moment of his life toward self aggrandizement and legitimation Despite his sexual abuse of enslaved females and their children like other plantation owners Hammond envisioned himself as benevolent and paternal He

saw himself as the absolute master of his family and slaves but neither his family his slaves nor even his own behavior was completely under his command Hammond fervently wished to perfect and preserve what he envisioned as the southern way of life But these goals were also beyond his control At the time of his death it had become clear to him that his world the world of the Old South had ended *The American Census Handbook* Thomas Jay Kemp,2001 Offers a guide to census indexes including federal state county and town records available in print and online arranged by year geographically and by topic *Masters of Small Worlds* Stephanie McCurry,1995-05-11 By placing the yeomanry in the center of the drama McCurry offers a significant reinterpretation of this volatile society on the road to Civil War Through careful and creative use of a wide variety of archival sources she brings vividly to life the small worlds of yeoman households and the larger world of the South Carolina Low Country the plantation South and nineteenth century America **Pioneers and Residents of West Central Alabama Prior to the Civil War** Madge Pettit,1988-01-01 This work provides genealogical data on about 1000 families who lived in the hill country of west central Alabama prior to the Civil War Most were squatters who came primarily from Virginia and the Carolinas often after having stopped in Tennessee or Georgia long enough to renew food supplies rest livestock await the birth of a child or the death of an elderly parent Ethnically most of the pioneers were of Celtic stock descendants of early Virginia colonists who had originally come from the British Isles The family records in this collection have been assembled from cemetery inscriptions newspaper abstracts contributions from descendants military and pension files and census records From publisher description *National Genealogical Society Quarterly* National Genealogical Society,1988 **Aberration of Mind** Diane Miller Sommerville,2018-10-01 More than 150 years after its end we still struggle to understand the full extent of the human toll of the Civil War and the psychological crisis it created In *Aberration of Mind* Diane Miller Sommerville offers the first book length treatment of suicide in the South during the Civil War era giving us insight into both white and black communities Confederate soldiers and their families as well as the enslaved and newly freed With a thorough examination of the dynamics of both racial and gendered dimensions of psychological distress Sommerville reveals how the suffering experienced by Southerners living in a war zone generated trauma that in extreme cases led some Southerners to contemplate or act on suicidal thoughts Sommerville recovers previously hidden stories of individuals exhibiting suicidal activity or aberrant psychological behavior she links to the war and its aftermath This work adds crucial nuance to our understanding of how personal suffering shaped the way southerners viewed themselves in the Civil War era and underscores the full human costs of war *The Genealogy of Several Allied Families* Charles Owen Johnson,1961 Families in La and Miss of English French German and Spanish descent *Biographical Directory of the South Carolina Senate, 1776-1985* N.
