

# 1950 World Series

**Burt Solomon**

## 1950 World Series:

**The Whiz Kids** Dennis Snelling, **The New York Yankees of the 1950s** David Fischer, 2019-04-01 The 1950s marked a transformative period in postwar American history. In baseball, one dynasty was the story during the decade. The New York Yankees played in eight World Series from 1950 to 1959, winning six of them. Yankees icon Joe DiMaggio retired following the 1951 season, but a new super star Mickey Mantle took over in Yankee Stadium's center field in 1952. Mantle, the powerful switch hitter who blasted tape-measure home runs, often tortured by leg ailments, was the number one box office draw in baseball. He was the American League's most valuable player in 1956 and 1957, putting together a triple crown season in 1956. Mantle came into baseball when TV was just beginning to stir, and with the Yankees reaching the World Series and appearing on national TV seemingly every season, he became the face of the game during the decade. Mantle joined with his pals, pitcher Whitey Ford and infielder Billy Martin, to form a hard-partying trio that would be a joy and a pain to management. The author of several books on the Yankees, David Fischer will bring expertise and a knack for great storytelling to the saga of the most dominant decade in the annals of sport, set during a defining moment in U.S. history. **TV in the USA** Vincent LoBrutto, 2018-01-04 This three-volume set is a valuable resource for researching the history of American television. An encyclopedic range of information documents how television forever changed the face of media and continues to be a powerful influence on society. What are the reasons behind the enduring popularity of television genres such as police crime dramas, soap operas, sitcoms, and reality TV? What impact has television had on the culture and morality of American life? Does television largely emulate and reflect real life and society, or vice versa? How does television's influence differ from that of other media such as newspapers and magazines, radio, movies, and the Internet? These are just a few of the questions explored in the three-volume encyclopedia *TV in the USA: A History of Icons, Idols, and Ideas*. This expansive set covers television from 1950 to the present day, addressing shows of all genres, well-known programs, and short-lived series alike, broadcast on the traditional and cable networks. All three volumes lead off with a keynote essay regarding the technical and historical features of the decade's covered. Each entry on a specific show investigates the narrative themes and history of the program, provides comprehensive information about when the show started and ended, and why, and identifies the star players, directors, producers, and other key members of the crew of each television production. The set also features essays that explore how a particular program or type of show has influenced or reflected American society, and it includes numerous sidebars packed with interesting data, related information, and additional insights into the subject matter. *The Sports Hall of Fame Encyclopedia* Dave Blevins, 2011-12-23 In 1936, the Baseball Hall of Fame was established to honor the legends of the sport. The first inductees were some of the greatest names of the dugout, including Ty Cobb and Babe Ruth. Less than ten years later, in 1945, the Hockey Hall of Fame inducted its first members. The Soccer Hall of Fame was established in 1950, followed by the Basketball Hall of Fame in 1959 and the Football Hall of Fame in 1963. In all, more than 1,400 inductees

players teams and behind the scenes personnel have been enshrined in these five halls of fame The Sports Hall of Fame Encyclopedia is a comprehensive listing of each inductee elected into one or more of these major sports halls of fame From Hank Aaron to Fred Zollner this book contains biographical information sport and position s played and career statistics when applicable of each of the more than 1 400 honorees The book also includes specific appendixes for each shrine in which inductees are listed alphabetically and by year of induction Also included are appendixes briefly describing the history of each hall of fame The Sports Hall of Fame Encyclopedia David Blevins,2012 Provides a comprehensive listing including biographical information and statistics of each athlete inducted into one of the major sports halls of fame *Yankees Century* Glenn Stout,2002 Photographs and essays help chronicle one hundred years of history for the New York Yankees professional baseball team profiling key players coaches and moments in the team s history The Series Joe Hoppel,Sporting news,1988 Coverage of every World Series from 1903 to 1987 from the pages of The Sporting News *Industrial Sports Journal* ,1950 **Industrial World** ,1912 The Baseball Timeline Burt Solomon,1997 From baseball s humble beginnings to its modern day pyrotechnics this comprehensive one of a kind and endlessly entertaining volume contains stats and records amazing anecdotes and recreations of great games and heroic events from pre season to post season and all the glory days in between **Year** ,1951 **Top 10 Sluggers** Chris W. Sehnert,1997 Covers the careers and statistics of ten notable baseball players including Babe Ruth Hank Aaron and Roberto Clemente We Played the Game Danny Peary,1994-04-07 This incredible gathering of first hand remembrances brings a fascinating and enlightening new perspective to the period of baseball s greatest peak and ultimate turning point when bigotry and exploitation still ran rampant among the clubs and the sport was irrevocably being changed into a business 100 photos **Educators Guide to Free Films** ,1954 *The 1950 New York Yankees World Series Program* ,1950 *Missouri Schools* ,1949 **Basic Nursing Education** Florence Nightingale International Foundation,Frances Beck,International Council of Nurses,1958 *The Complete Guide to Baseball Memorabilia* Mark K. Larson,1994 The Guinness Book of Records, 1995 Facts On File, Inc.,1994 This new 34th edition of a classic presents about 15 000 records documenting Guinness achievements and records set during 1994 but this goes far beyond a listing of statistics Color and black and white photos and intriguing illustrations are packed into the Guinness listings providing a virtual wealth of eye catching details accessible to leisure readers The Guinness Book of Records Michelle Dunkley McCarthy,Mark C. Young,1992 Updates world and American records and reports new categories established during the year

Uncover the mysteries within its enigmatic creation, Discover the Intrigue in **1950 World Series** . This downloadable ebook, shrouded in suspense, is available in a PDF format ( \*). Dive into a world of uncertainty and anticipation. Download now to unravel the secrets hidden within the pages.
