*1979 Devotional Speeches of the Year* Brigham Young University, **The Mormon Hierarchy** D. Michael Quinn, 1997-01-15 The Mormon church today is led by an elite group of older men nearly three quarters of whom are related to current or past general church authorities This dynastic hierarchy meets in private neither its minutes nor the church s finances are available for public review Members are reassured by public relations spokesmen that all is well and that harmony prevails among these brethren But by interviewing former church aides examining hundreds of diaries and drawing from his own past experience as an insider within the Latter day Saint historical department D Michael Quinn presents a fuller view His extensive research documents how the governing apostles seventies and presiding bishops are likely to be at loggerheads as much as united These strong willed independent men like directors of a large corporation or supreme court justices lobby among their colleagues forge alliances out maneuver opponents and broker compromises There is more clandestine political activities investigative and punitive actions by church security forces personal loans from church coffers later written off as bad debts and other privileged power vested activities Quinn considers the changing role and attitude of the leadership toward visionary experiences the momentous events which have shaped quorum protocol and doctrine and day to day bureaucratic intrigue from the time of Brigham Young to the dawn of the twenty first century The hierarchy seems at root well intentioned and even at times aggressive in fulfilling its stated responsibility which is to expedite the Second Coming Where they have become convinced that God has spoken they have set aside personal differences offered unqualified support and spoken with a unified voice This potential for change when coupled with the tempering effect of competing viewpoints is something Quinn finds encouraging about Mormonism But one should not assume that these men are infallible or work in anything approaching uninterrupted unanimity Bruce R. McConkie Devery S. Anderson, 2024-07-08 Although he served as an apostle in the Church of Jesus Christ of Latter day Saints for only twelve and a half years Bruce R McConkie s twenty six years service in the First Council of Seventy had already made him a household name within the church Called to full time church service at age thirty one McConkie quickly gained a reputation as a theologian and doctrinal teacher He became a prolific writer and his controversial book *Mormon Doctrine* remained a bestseller for decades His writing style dogmatic approach and quickness to reprimand others he believed in error made him many enemies while others endeared themselves to him because of those very traits McConkie the man was far more complex than the serious and focused general authority most church members saw and heard at the pulpit Those who knew him best experienced his profound sense of humor His passion for jogging rock hounding and jewelry making occupied much of his free time Those who witnessed his final address delivered days before his death felt compassion toward him no matter how they had always viewed him as a writer speaker or leader Truly to understand Bruce R McConkie one must look closely at the entire picture

**Speeches of the Year** Brigham Young University, *Speeches of the Year*, 1976 Book of Mormon Study Guide, Pt. 3

Randal S. Chase,2010-12-08 Helaman through Moroni This volume is the third of three on the Book of Mormon It covers the Book of Helaman through through the Book of Moroni This includes the period of great wickedness just prior to the coming of Christ We read of the missions of Nephi and Lehi followed by Samuel the Lamanite The signs of Christ s birth and death are given followed by their fulfillment Great destruction occurs on the American continent and only the righteous survive in the Land of Bountiful Christ appears to the Nephites teaches and heals them organizes His Church and ordains 12 disciples to lead them After His departure a Zion people live in peace for many years then decline again into great wickedness We read of the final days of the Nephites in the writings of Mormon and Moroni We also read about the Jaredites who were the first to inherit the land long before Lehi s family arrived In all it covers 2 000 years of Jaredite history and 469 years of Nephite history from 52 BC to 421 AD when the book of Moroni closes The cover features a beautiful painting titled Behold Your Little Ones by Del Parson

**Catalog of Copyright Entries. Third Series** Library of Congress. Copyright Office,1977 *God and Country* Jeffrey E. Sells,2005 As is well known the state of Utah was created under trying circumstances Settled by religious refugees the territory was at first governed by a people who resented the intrusion of the United States and who recognized no wall dividing church and state This is the legacy that the contemporary state has inherited As subtle and sometimes not so subtle as the influences of the past can be the overall impact of religion in Utah from the founding period to the present has been enormous In this anthology fourteen prominent men and women whose diverse backgrounds in politics history and religion more than qualify them as experts attest to this fact Each interprets the state of religion and politics with a clear informed perspective with reassurances and warnings As the editor notes there is an element of endearment in the tone of these essays they are written by people who live in the state and clearly love her and care about the overall health and well being of her citizens

*Ezra Taft Benson* Sheri L. Dew,1987 Ezra Taft Benson 1899 was born in Whitney Idaho to George Taft Benson Jr and Sarah Sophia Dunkley He was the great grandson of LDS Apostle Ezra T Benson 1811 1869 During his active and impressive career Benson has been a farmer businessman Secretary of Agriculture during the Eisenhower administration as well as a General Authority in the LDS Church In 1943 Ezra Taft Benson was was called into the Quorum of Twelve Apostles by Heber J Grant At the death of Spencer W Kimball in 1986 Ezra Taft Benson became the thirteenth President of the LDS Church He and his wife Flora Smith Amussen 1901 1992 were the parents of six children

**The Mysteries of Godliness** David J. Buerger,2002-12-15 A veil of secrecy surrounds Mormon temple worship While officially intended to preserve the sacredness of the experience the silence leaves many Latter day Saints mystified What are the derivation and development of the holy endowment and if these were known would the experience be more meaningful Modern parishioners lack context to interpret the arcane and syncretistic elements of the symbolism For instance David Buerger traces the evolution of the initiatory rites including the New Testament like foot washings which originated in the Ohio period of

Mormon history the more elaborate Old Testament like washings and anointings which began in Illinois and were performed in large bathtubs with oil poured over the initiate s head and the vestigial contemporary sprinkling and dabbing which were begun in Utah He shows why the dramatic portions of the ceremony blend anachronistic events an innovation foreign to the original drama Buerger addresses the abandonment of the adoption sealing which once linked unrelated families and the near disappearance of the second anointing which is the crowning ordinance of the temple He notes other recent changes as well Biblical models Masonic prototypes folk beliefs and frontier resourcefulness all went into the creation of this highest form of Mormon Temple worship Diary entries and other primary sources document its evolution Catalogue of Title-entries of Books and Other Articles Entered in the Office of the Librarian of Congress, at Washington, Under the Copyright Law ...
