Mover and Shaker Andy McCue, 2014-05-01 One of the most influential and controversial team owners in professional sports history Walter O Malley 1903 79 is best remembered and still reviled by many for moving the Dodgers from Brooklyn to Los Angeles Yet much of the O Malley story leading up to the Dodgers move is unknown or created from myth and there is substantially more to the man When he entered the public eye the self constructed family background and early life he presented was gilded Later his personal story was distorted by some New York sportswriters who hated him for moving the Dodgers In *Mover and Shaker* Andy McCue presents for the first time an objective complete and nuanced account of O Malley s life He also departs from

the overly sentimentalized accounts of O Malley as either villain or angel and reveals him first and foremost as a rational hardheaded businessman who was a major force in baseball for three decades and whose management and marketing practices radically changed the shape of the game [Sports Programming and Cable Television](#) United States. WEINER,1990 **Legends of the Tribe** Morris Eckhouse,2000 Legends of the Tribe An Illustrated History of the Cleveland Indians is the first lavishly illustrated history of the entire 100 years of the franchise which in the last five years has experienced an incredible rebirth The 1990s have become the golden era of Cleveland Indians baseball Beginning with their 1994 move to Jacobs Field a transformation has occurred that finds the Indians one of baseball s premier franchises With five straight division titles two World Series appearances and four seasons of consecutive sellouts The Tribe is the toast of Ohio It is perhaps the most dramatic turnaround in major league history For much of the more than three decades prior to 1994 the Indians were a bottom dwelling franchise both on the field and at the gate But in the mid to late 90s the Indians enjoyed four seasons of consecutive sellouts and Indians baseball remains the hottest ticket in town Although the expectation level has risen for Tribe fans they no longer accept just making it to the playoffs their optimism patience and enthusiasm remain intact And with little or no serious competition in the American League Central the fans know the Tribe will likely get another shot in 2000 at their first World Series title in more than 50 years **Sport in America, Volume II** David K.
