Fleming,2015-01-28 Eddie Mannix and Howard Strickling are virtually unknown outside of Hollywood and little remembered even there but as General Manager and Head of Publicity for Metro Goldwyn Mayer Studios they lorded over all the stars in Hollywood s golden age from the 1920s through the 1940s including legends like Garbo Dietrich Gable and Garland When MGM stars found themselves in trouble it was Eddie and Howard who took care of them solved their problems hid their crimes and kept their secrets They were the Fixers At a time when image meant everything and the stars were worth millions to the studios that owned them Mannix and Strickling were the most important men at MGM Through a complex web of contacts in every arena from reporters and doctors to corrupt police and district attorneys they covered up some of the most notorious crimes and scandals in Hollywood history keeping stars out of jail and more importantly their names out of the papers They handled problems as diverse as the murder of Paul Bern husband of MGM s biggest star Jean Harlow the studio directed drug addictions of Judy Garland the murder of Ted Healy creator of The Three Stooges at the hands of Wallace Beery and arranging for an unmarried Loretta Young to adopt her own child a child fathered by a married Clark Gable Through exhaustive research and interviews with contemporaries this is the never before told story of Eddie Mannix and Howard Strickling The dual biography describes how a mob related New Jersey laborer and the quiet son of a grocer became the most powerful men at the biggest studio in the world **Serials Catalog** Iowa State University. Library,1989 *Screen Methods* Jacqueline Furby,Karen Randell,2005 Screen Methods is a collection of essays that aims to look at the way in which the theory of film studies an increasingly popular subject at universities is approached both historically and in the 21st century International Motion Picture Almanac Quigley Publishing,2002 *International Motion Picture Almanac 1981* Gertner,1981-01-01 Cinema Treasures Ross Melnick,Andreas Fuchs,2004 More than 100 years after the first movie delighted audiences movie theaters remain the last great community centers and one of the few

amusements any family can afford While countless books have been devoted to films and their stars none have attempted a truly definitive history of those magical venues that have transported moviegoers since the beginning of the last century In this stunningly illustrated book film industry insiders Ross Melnick and Andreas Fuchs take readers from the nickelodeon to the megaplex and show how changes in moviemaking and political social and technological forces e g war depression the baby boom the VCR have influenced the way we see movies Archival photographs from archives like the Academy of Motion Picture Arts and Sciences and movie theater ephemera postcards period ads matchbooks and even a barf bag sourced from private collections complement Melnick s informative and engaging history Also included throughout the book are Fuchs profiles detailing 25 classic movie theaters that have been restored and renovated and which continue to operate today Each of these two page spreads is illustrated with marvelous modern photographs many taken by top architectural photographers The result is a fabulous look at one way in which Americans continue to come together as a nation A timeline throughout places the developments described in a broader historical context We ve had a number of beautiful books about the great movie palaces and even some individual volumes that pay tribute to surviving theaters around the country This is the first book I can recall that focuses on the survivors from coast to coast and puts them into historical context Sumptuously produced in an oversized format on heavy coated paper stock this beautiful book offers a lively history of movie theaters in America an impressive array of photos and memorabilia and a heartening survey of the landmarks in our midst from the majestic Fox Tucson Theatre in Tucson Arizona to the charming jewel box that is the Avon in Stamford Connecticut I don t know why but I never tire of gazing at black they evoke the era of moviemaking and moviegoing I care about the most and this book is packed with them Cinema Treasures is indeed a treasure and a perfect gift item for the holiday season Leonard MaltinHumble or grandiose stand alone or strung together movie theaters are places where dreams are born Once upon a time they were treated with the respect they deserve In their heyday historian Ross Melnick and exhibitor Andreas Fuchs write in Cinema Treasures openings of new motion picture pleasure palaces that would have dazzled Kubla Khan received enormous attention in newspapers around the country On top of the publicity they generated their debuts were treated like the gala openings of new operas or exhibits with critics weighing in on everything from the interior and exterior design to the orchestra Handsomely produced and extensively illustrated Cinema Treasures is detailed without being dull and thoroughly at home with this often neglected subject matter Its title would have you believe it is a celebration of the golden age of movie theaters But this book is something completely different an examination of the history of movie exhibition which the authors accurately call a vastly under researched topic Los Angeles Times **Reference Books Bulletin** ,1997 **Ulrich's International Periodicals Directory** Carolyn Farquhar Ulrich,1998 **Union List of Serials** ,1972 **AV Guide** ,1998
