The Life and Times of the Murray Cod Paul Humphries,2023-05-01 The Murray cod is Australia s largest and most iconic freshwater fish Tales of the species have long been part of Australian folklore and this book describes its history biology cultural significance and conservation The Life and Times of the Murray Cod reveals the many roles the species has played throughout the history of the continent from its place at the heart of the Aboriginal creation story of the Murray River its role as a food source for explorers surveying inland Australia in the early 1800s to it forming the basis of a commercial fishing industry up to the early 2000s Living for upwards of half a century and growing to astonishing sizes today the Murray cod is a hugely popular target for recreational fishing but its future is anything but assured In the face of climate change river management and fishing pressure much needs to be done to ensure this extraordinary fish swims confidently into the future The Life and Times of the Murray Cod draws on historical anecdotal and scientific sources to reveal what makes this remarkable species so special and will appeal to fishers natural resource managers conservationists and any reader interested in natural history **Australian National Bibliography** ,1996-05 *Urban Food Culture* Cecilia Leong-Salobir,2019-04-02 This book explores the food history of twentieth century Sydney Shanghai and Singapore within an Asian Pacific network of flux and flows It engages with a range of historical perspectives on each city s food and culinary histories including colonial culinary legacies restaurants cafes street food market gardens supermarkets and cookbooks examining the exchange of goods and services and how the migration of people to the urban centres informed the social histories of the cities foodways in the contexts of culinary nationalism ethnic identities and globalization Considering the recent food history of the three cities and its complex narrative of empire trade networks and migration patterns this book discusses key aspects of each city s cuisine in the twentieth century examining the interwoven threads of colonialism and globalization Frontiers of Taste Zane Ma Rhea,2016-07-28 This book provides a critical multiperspective sociohistorical analysis of the role of food in postcolonial Indigenous British and French settler relations Drawing on archival resources from Australian explorers settlers and nation builders the book argues that contemporary issues of food security sovereignty and sustainability have been significantly shaped by the colonial impact on human foodways The author goes on to enhance readers understanding of how contact between inhabitants and newcomers was shaped and informed by food and how these engagements established a modus vivendi that carries through to the present day Based on the assessment of archival records it uses a comparative socio historical lens to investigate contact between Indigenous and non Indigenous people

where the exchange of food or knowledge about food took place It finds that the transfer of food and food knowledge was multifaceted and the flow of food knowledge occurred in both directions although these exchanges were neither symmetrical nor balanced It also analyzes and discusses food as a focal point of activity The final chapter offers an assessment of the potential for the development of a sustainable nutritious tasty Australian cuisine that moves beyond the tropes and stereotypical narratives embedded into colonial Indigenous settler relations in the context of food If this was accepted by all Australians it would allow opportunities to be created for Indigenous Australians to develop food products for the market that are sustainable economically viable and developed in ways that are culturally appropriate
