Svetlana I. Allilueva,1967 **In the Mind of Stalin** James Greensmith,2023-04-06 On 1 October 1939 Winston Churchill First Lord of the Admiralty and soon to be the UK's wartime leader described Russia as a riddle wrapped in a mystery inside an enigma The same can certainly be said of Stalin How can this paradox of a man who on the one hand had once exhibited great tenderness and kindness to his daughter Svetlana and on the other sent millions including members of his own family to their deaths be explained It is impossible to quantify the total number of deaths attributable to the policies of Stalin but the Excess Mortality i e deaths over and above what would normally have been expected during the period in question gives an approximate figure in excess of 40 million However this is only part of the story of the amount of misery inflicted by the Stalin regime through torture deliberate starvation neglect separation from loved ones cold and hypothermia e g in the prisons of Siberia which is unquantifiable and unimaginable Svetlana confessed that she would never undertake to explain what motivated all my father's actions simply because I do not possess the psychological genius of Russian novelist Dostoevsky who knew how to penetrate into another man's soul and examine it from within The Great Terror Robert Conquest,2008 The definitive work on Stalin's purges the author's *The Great Terror* was universally acclaimed when it first appeared in 1968 Provides accounts of on everything from the three great Moscow Trials to methods of obtaining confessions the purge of writers and other members of the intelligentsia on life in the labor camps and many other key matters On the fortieth anniversary of the first edition it is remarkable how many of the most disturbing conclusions have borne up under the light of fresh evidence *Charles Dickens's Our Mutual Friend* Sean Grass,2017-05-15 Even within the context of Charles Dickens's history as a publishing innovator *Our Mutual Friend* is notable for what it reveals about Dickens as an author and about Victorian publishing Marking Dickens's return to the monthly number format after nearly a decade of writing fiction designed for weekly publication in *All the Year Round* *Our Mutual Friend* emerged against the backdrop of his failing health troubled relationship with Ellen Ternan and declining reputation among contemporary critics In his subtly argued publishing history Sean Grass shows how these difficulties combined to make *Our Mutual Friend* an extraordinarily odd novel no less in its contents and unusually heavy revisions than in its marketing by Chapman and Hall its transformation from a serial into British and U S book editions its contemporary reception by readers and reviewers and its delightfully uneven reputation among critics in the 150 years since Dickens's death Enhanced by four appendices that offer contemporary accounts of the Staplehurst railway accident information on archival materials transcripts of all of the contemporary reviews and a select bibliography of editions Grass's book shows why this last of Dickens's finished novels continues to intrigue its readers and critics **The British Friend** ,1888 *The American Friend* ,1918 *The Journal of the Friends' Historical Society* Friends' Historical Society,1906 Teachers Monographs ,1921 **Letters to a Friend** Svetlana Alliluyeva,1967 **A Little Book of Friendship** Joseph Morris,St. Clair Adams,1925 A Treatise on Bookkeeping and Stenography ...
