**Adrift on an Ice Pan** Wilfred Grenfell, 2016-07-15 On Easter Sunday 1908 Dr Wilfred Grenfell was summoned to treat a boy with osteomyelitis who had been operated on two weeks earlier. The young man needed immediate attention to save not only his leg but his life so the doctor set out from St Anthony Newfoundland with his komatik and his eight best dogs. To save a few miles Dr Grenfell took a shortcut across a bay but the ice broke up beneath him his komatik sank and one dog drowned. He and the other dogs climbed out of the water onto an ice pan which drifted out to sea in an offshore wind. In the cold and solitude of a day and a night on the ice the doctor was now in peril. Frostbitten and snow blind he turned to his remaining dogs and performed one final desperate act in an attempt to save his life. *Adrift on an Ice Pan* is the best known of the autobiographical accounts of Sir Wilfred Thomason Grenfell the famous Labrador doctor. Originally published in 1909 it has sparked much discussion over Dr Grenfell's character his legendary ingenuity evangelical faith and love of adventure.

**The Greatest Story Never Told** Leonard Sweet, 2012-05-01 God raises up Methodists for such a time as this. Here is a ditty Len Sweet's Methodist grandfather used to sing: A Methodist a Methodist will I be A Methodist will I die I've been baptized in the Methodist way And I'll live on the Methodist side. What genius of Methodism inspired this kind of love and loyalty in the earlier years of the faith? What did it mean to live in the Methodist way and to die on the Methodist side? Perhaps it is time to resurrect a neo-Wesleyan identity and to challenge the prevailing one-calorie Methodism that characterizes so much of our tribe today. What makes a Methodist? How can we re-ignite the spark of genius that motivated such commitment in our cloud of witnesses? The essence of Methodism's genius resides in two famous Wesleyan mantras: heart strangely warmed inward experiences with a fire in the heart and the world is our parish outward experiences with

waterfalls of cutting edge intelligence For Wesley internal combustion the former led to external combustion the latter In the 18th century Methodists in general and in their younger years the Wesley brothers themselves were accused of being too sexy What else could all those love feasts and strangely warmed hearts be about Why else were all those women in positions of leadership With this book the author hopes to bring back to life some of Methodism s sexiness so that our current reproduction crisis can be reversed
