Bethlehem In Broad Daylight:

Bethlehem in Broad Daylight Mark Doty, 1991 A collection of poems by Mark Doty *Turtle, Swan & Bethlehem in Broad Daylight* Mark Doty, 2000 The winner of four major awards including the National Book Critics Circle Award and the T S Eliot Prize Mark Doty has established himself as one of the most courageous and eloquent poets of our time The University of Illinois Press is proud to present this one volume edition of Doty's first two collections of poetry *Turtle Swan and Bethlehem in Broad Daylight* Long out of print *Turtle Swan and Bethlehem in Broad Daylight* brought Doty to critical attention as the first post Stonewall gay poet to emerge as a major voice in American letters Stories of paradise pageant and fugitive peace course through these pages are lit by Doty's visions of the architecture and artifice of a lush world Exploring the forms of remembering and inventing Doty affirms that from the first loss we preserve by naming **Paragon Park** Mark Doty, 2012 The selected early poems by Mark Doty including the complete texts of *Turtle Swan* and *Bethlehem in Broad Daylight* for which Mr Doty has contributed a new introduction **Contemporary Gay American Poets and Playwrights** Emmanuel S. Nelson, 2003-06-30 Gay presence is nothing new to American verse and theater Homoerotic themes are discernible in American poetry as early as the 19th century and identifiably gay characters appeared on the American stage more than 70 years ago But aside from a few notable exceptions gay artists of earlier generations felt compelled to avoid sexual candor in their writings Conversely most contemporary gay poets and playwrights are free from such constraints and have created a remarkable body of work This reference is a guide to their creative achievements Alphabetically arranged entries present 62 contemporary gay American poets and dramatists While the majority of included writers are younger artists who came of age in the post Stonewall U S some are older authors whose work has continued or persisted into recent decades A number of these writers are well known including Edward Albee Harvey Fierstein and Allen Ginsberg Others such as Alan Bowne Timothy Liu and Robert O Hara merit wider recognition Each entry is written by an expert contributor and includes a biography a discussion of major works and themes an overview of the author's critical reception and primary and secondary bibliographies **Bethlehem's Closet** Donald H Neidigk, 2002-06 If you want to try something different for Advent this year *Bethlehem's Closet A Reunion of Grace* is a great resource that provides congregations with an intriguing learning experience It's a unique series of five monologues telling the fascinating stories warts and all of the women mentioned in Matthew's genealogy of Jesus Donald Neidigk believes that the embarrassing events in some of these women's lives are important for us to know since they demonstrate that Jesus was born into an imperfect family with secrets in the closet just like you and me And that makes him a sympathetic Savior exactly what we need So even though the shepherds and wise men may be more typical of the season's characters *Bethlehem's Closet A Reunion of Grace* offers a refreshing way to celebrate Christ's birth Each monologue comes with a children's message using easily obtained objects to reinforce the lesson and a convenient order of worship The monologues examine these women Tamar A Wronged Widow Rahab A Former
