40 Questions About Angels, Demons, and Spiritual Warfare John R. Gilhooly, 2018-10-30 In 40 Questions About Angels Demons and Spiritual Warfare John Gilhooly provides a biblical and balanced perspective on the many issues surrounding the spiritual realm Using a question and answer format he explains spiritual warfare angels and demons the role of Satan models and practices for spiritual warfare and topics related to the occult Beneficial as a comprehensive overview or as a reference guide to particular subjects this volume provides concise but thorough answers to many important questions including Do believers have guardian angels Can Christians be demon possessed Are there territorial spirits Why and when did the devil fall from heaven What is the role of prayer in spiritual warfare Are there such things as spiritual curses Augustine's Theology of Angels Elizabeth Klein, 2018-04-12 References to the good angels in the works of Augustine are legion and angels also play a central role in some of his major works such as City of God and the opening of On the Trinity Despite Augustine's interest in angels however little scholarly work has appeared on the topic In this book Elizabeth Klein gives the first comprehensive account of Augustine's theology of the angels and its importance for his thought more generally Offering a close textual analysis of the reference to angels in Augustine's corpus the volume explores Augustine's angelology in relationship with his understanding of creation of community of salvation history and of spiritual warfare By examining Augustine's angelology we glimpse his understanding of time and eternity as well as the meaning and perfection of created life Klein's book is foundational for a proper understanding of Augustine's angelology and has far reaching implications not only for Augustinian studies but also the broader history of Christian angelology The Tongues of Angels John C. Poirier, 2010 The Apostle Paul's reference to the tongues of angels 1 Cor 13 1 has always aroused curiosity but it has rarely been the object of a history of traditions investigation Few readers of Paul's words are aware of the numerous references and allusions to angelic languages in Jewish and Christian texts John C Poirier presents the first full length study of the concept of angelic languages and the most exhaustive attempt to assemble the evidence for that concept in ancient Jewish and early Christian texts He discusses possible references to angelic languages in the New Testament pseudepigraphic writings both Jewish and Christian the Dead Sea scrolls rabbinic texts patristic references magical writings and epigraphy The discussion is divided between those witnesses that understand angels to speak Hebrew and those that understand angels to speak an esoteric heavenly language **Immortality and the Unseen World** William Oscar Emil Oesterley, 1921 What does the Bible say about immortality and the afterlife In this study we discover the origins and development of religious beliefs in life after death and the existence of beings from realms beyond In mounting this comprehensive and scholarly study of the Old Testament W O E Oesterley examines a variety of pertinent passages from the Biblical lore By the time the Bible was written demons and their ilk were already an established presence in ancient belief systems Ancient Judaism included a variety of new demons together with details on their habitat behaviors and interaction with humans living on Earth With demons

synonymous with evil angels were synonymous with good enacting God's will that humans spend their mortality in virtue. What happens to humans after death has for millennia been an important spiritual question. The Bible contains a series of details on the traversal and immortality of the deceased's souls. In the ancient times ancestor worship was common and these cults of the dead are acknowledged in the Old Testament. To compliment his narrative the author also provides supplementary historical details of mourning and funerary customs with a series of rituals said to ensure the soul's safe transit to the immortal realm.
