Between East And West:

Industrial Cooperation between East and West Friedrich Levcik, Jan Stankovsky, 2017-09-08 This title was first published in 1979 A number of valuable and interesting publications have appeared in the last few years on East West cooperation These studies which by means of interviews and direct contacts with the firms concerned have shed some light on a subject that in the past had remained little known also provided us with extremely valuable incentives Most of these studies dealt only with individual aspects of cooperation particularly the legal and microeconomic aspects The quantitative data used however did not easily lend themselves to comparison Eastern European studies more often contained the views of the respective governments than the experiences of enterprises involved in cooperative undertakings In this book the authors have attempted to provide a unified picture of the most important problems of East West cooperation The motivations and goals of those concerned in all their microeconomic macroeconomic commercial and political aspects are brought together with the pertinent legal and institutional factors and are analyzed

Between East and West Anne Applebaum, 2017-06-13 In 1991 Anne Applebaum Pulitzer Prize winning author of *Gulag Iron Curtain* and *Red Famine* took a three month road trip through the borderlands between the fallen Soviet Union and European lands that became Ukraine Belarus Lithuania and Moldova In her iconic reportage which has become indispensable history she captures the harrowing story of a region that is once again threatened by Russia An extraordinary journey into the past and present of the lands east of Poland and west of Russia an area defined throughout its history by colliding empires Traveling from the former Soviet naval center of Kaliningrad on the Baltic to the Black Sea port of Odessa Anne Applebaum encounters a rich range of competing cultures religions and national aspirations In reasserting their heritage the inhabitants of the borderlands attempt to build a future grounded in their fractured ancestral legacies In the process neighbors unearth old conflicts devote themselves to recovering lost culture and piece together competing legends to create a new tradition Rich in surprising encounters and vivid characters *Between East and West* brilliantly illuminates the soul of the borderlands and the shaping power of the past
