Between Adolescents And Parents:

Between Adolescents & Parents Moshe Smilansky,1991 *Between Parent and Teenager* Haim G. Ginott,1971 This is a guide to developing good relations between parents teenagers plus solid advice about handling the problems of adolescence

The Adolescent in the Family Patricia Noller,Victor Callan,2015-12-22 Adolescence can be a difficult time for all concerned Issues such as high youth unemployment sexual behaviour and drug abuse have made it a matter of great concern for the community at large whether as parents politicians or those working with adolescents in education and welfare In addition many parents fear that these problems could affect their own families Originally published in 1991 the authors explore the complex needs of adolescents emphasising the importance of the family environment in helping adolescents cope with the many difficulties and changes they face during this period of their lives The central theme is that adolescents through conflict and negotiation establish new but different relationships with their parents relationships that can endure for a lifetime The authors provide wide coverage of the key issues of adolescence such as identity separation from the family and conflict and look closely at the difficulties produced by events such as the divorce and re marriage of parents and social problems such as long term unemployment With its positive approach to the family and adolescents this clear concise and helpful book will be invaluable both to parents and to the many professionals whose work involves them with adolescents

Adolescent-Parent Schoolwork Conflicts Ge Cao,Vicky C. Tam,2025-11-28 Illuminating the intricate dynamics of adolescent parent conflicts over schoolwork this book provides a vivid and insightful examination of the educational difficulties experienced by contemporary Chinese families Drawing on interviews with 63 parents and adolescents Cao and Tam analyze their real life disagreements over schoolwork revealing how both generations understand reason about and resolve conflicts The authors provide a culturally sensitive analysis by exploring how Chinese values and the local education system shape these disputes Integrating social domain theory and self determination theory the book traces the development of adolescent autonomy amid family tensions around schoolwork Rich with authentic stories this book paves a way forward for fostering healthier relationships and supporting adolescent growth Essential reading for scholars in developmental psychology and family sociology this volume also provides valuable insights for family therapists parental educators and parents seeking to deepen their understanding of effective parenting practices **The SAGE Encyclopedia of Lifespan**
