Between Philosophy And Politics

Michael Moehler, John Thrasher

Between Philosophy And Politics:

Between Philosophy and Politics John G. Gunnell,1986 **Critical Encounters** Fred Reinhard Dallmayr,1989

Laclau Simon Critchley,Oliver Marchart,2004 Laclau A Critical Reader is the first full length critical appraisal of Laclau s work and includes contributions from several leading philosophers and theorists The first section examines Laclau s theory that the contest between universalism and particularism provides much of the philosophical background to political and social struggle taking up the important place accorded to amongst others Hegel and Lacan in Laclau s work The second section of the book considers what Laclau s radical democracy might look like and reflects on its ethical implications particularly in relation to Laclau s post Marxism and thinkers such as J rgen Habermas The final section investigates the place of hegemony in Laclau s work the idea for which he is perhaps best known This stimulating collection also includes replies to his critics by Laclau and the important exchange between Laclau and Judith Butler on equality making it an excellent companion to Laclau s work and essential reading for students of political and social theory **A History of Modern Political Thought** Gary K. Browning,2016 How are we to understand past political thinkers Is it a matter simply of reading their texts again and again Do we have to relate past texts of political thought to the contexts in which ideas were composed and in which the aims of past thinkers were formulated Or should past political theories be deconstructed so as to uncover not what their authors maintain but what the texts reveal In this book theories of interpreting past political thinkers are examined and the interpretive methods of a range of theories are reviewed including those of Hegel Marx Oakeshott Collingwood the Cambridge School Foucault Derrida and Gadamer The application of these theories of interpretation to notable modern political theorists Machiavelli Hobbes Locke Rousseau Kant Hegel Marx Bentham Mill Nietzsche and Beauvoir is then used as a way of understanding modern political thought and of assessing interpretive theories of past political thought The result is a book which sees the history of modern political thought as more than a procession of political theories but rather as a reflection on the meaning of past political thought and its interpretation It provides a way of reading the history of modern political thought in which the question of interpretation matters both for understanding how we interpret the past but also for considering what it means to undertake political thinking **Encountering Althusser** Katja Diefenbach,Sara R. Farris,Gal Kirn,Peter Thomas,2013-01-10 This collection of essays by leading scholars provides a new assessment of Althusser s thought in its totality particularly in relation to contemporary theoretical debates **Islamic Political Theology** Massimo Campanini,Marco Di Donato,2021-05-11 Can we affirm that a political theology exists in Islam This apparently simple question is the core of Massimo Capanini and Marco Di Donato s edited collection of essays Considering the wide range of meanings of political theology this book contains essays written by different authors having their own specific and specialized point of view on the topics from Shia and Sunni political thought to Islamic classic philosophy and philosophers until arriving at contemporary Muslim thinkers **Political Theory between Philosophy and**

Rhetoric Giuseppe Ballacci, 2017-11-28 This book explores the significance of rhetoric from the perspective of its complex relationship with philosophy It demonstrates how this relationship gives expression to a basic tension at the core of politics that between the contingency of its happening and the transcendence toward which it strives The first part of the study proposes a reassessment of the ancient quarrel between philosophy and rhetoric as it was discussed by Plato Aristotle and above all Cicero and Quintilian who ambitiously attempted to bring them together creating an ideal that is at the roots of the humanist tradition It then moves to twentieth century political theory and shows how the questions that emerge from that quarrel still strongly resonate in the works of key thinkers such as H Arendt L Strauss and R Rorty The volume thus offers an original contribution that locates itself at the intersection of politics rhetoric and philosophy *The Saturday Review of Politics, Literature, Science and Art*, 1862

New Approaches to Social Contract Theory Michael Moehler, John Thrasher, 2024 This book discusses new directions in social contract theory While social contract theory has a long history in moral and political philosophy social circumstances have significantly changed over time It presents new approaches to social contract theory that apply to such conditions addressing some of most pressing social problems today

Judaism, Liberalism, & Political Theology Jerome E. Copulsky, Dana Hollander, Eric Jacobson, Gregory Kaplan, Daniel Weidner, Daniel Brandes, Sarah Hammerschlag, Zachary Braiterman, Robert Erlewine, Oona Eisenstadt, Brian Britt, Bruce Rosenstock, 2013-12-05 These essays propose a new and richly detailed engagement between Judaism and the political Jewish Book World Judaism Liberalism and Political Theology provides the first broad encounter between modern Jewish thought and recent developments in political theology arguing in opposition to impetuous associations of Judaism and liberalism and charges that Judaism cannot engender a universal political order The vexed status of liberalism in Jewish thought and Judaism in political theology is interrogated with recourse to thinking from across the Continental tradition This collection of essays which examines political theology from the distinct perspective of Jewish philosophy could not be timelier or more useful for scholars and students navigating what is often viewed as very dense and difficult material Claire Elise Katz Texas A M University
