Sergiy Buzhylov, 2023-01-11. Do you want to achieve financial freedom? Would your life be easier with a bit more dollars in your pocket? Do you want to make money like the rich? I'll tell you a secret: You can start today. Making money like the rich has nothing to do with getting that next promotion or becoming a lawyer, doctor, or CEO. It isn't about putting in 5 extra overtime hours. Earning money like the rich means cultivating ways for your talents and having money to work for you while you sleep. In other words, you need to learn the basics of passive income and build income sources that work for you. If you won the lottery this weekend, would you go to work tomorrow? Is your job really a reflection of your passions or just a means to a paycheck? Many of us, whether we are satisfied in our jobs or not, would choose to spend more time with our loved ones, family, travel, or pursue hobbies and new skills instead of working for someone else. Individuals who are committed to passive income can buy themselves that freedom. In this book, you will get top 55 passive income strategies that will help you to achieve financial freedom. These strategies are described with enough details to get you started. The list of described income strategies is one of the largest available on the market today, and you can get it in a single book.
