

CONTENT CREATION CHECKLIST

RELEVANCY

The goal is to provide your readers with a blog that is actually useful to them. It's only when you create high-quality content that your blog can convert into a lead generation platform.

SEARCHABILITY

Once you have a good topic (defined by one that your potential customers will be interested in) you can utilize some marketing tools to ensure you're capitalizing on all the SEO opportunities available.

TYPE

Maximize your content marketing plan by producing multiple types of content out of one topic. This can also help your content reach your audience at different stages of their customer journey.

PROMOTION

When you're creating marketing content, you should always be thinking about where it can go and how you can promote it. Social media and email marketing are two common cross-promotion strategies for B2B and B2C businesses.

CTA

In the back of your mind, you should always be thinking: "What do I want a user to do after viewing this piece of content?" CTAs are where you make all your ROI—literally and figuratively.

Succession Planning for Small and Family Businesses William J. Rothwell, Robert K. Prescott, 2022-10-04 Who will lead your organization into the future Have you created the systems to

properly implement required succession transitions Have you put the financial tools in place to fund the transition Do you want a plan that connects with your personal and company core values When do you include timely planning related to strategy and talent issues What are the appropriate communication strategies for sharing your plan What legal issues need consideration related to the strategy financial and people aspects of succession So what is preventing you from starting this effort tomorrow Small and family businesses are the bedrock of all businesses More people are employed by small and family owned businesses than by all multinational companies combined Yet the research on small and family businesses is bleak fewer than one third of small business owners in the United States can afford to retire Only 40% of small businesses have a workable disaster plan in case of the sudden death or disability of the owner and only 42% of small businesses in the United States have a succession plan Fewer than 11% of family owned businesses make it to the third generation beyond the founder Lack of succession planning is the second most common reason for small business failure Many organizations often wonder where to start and what to do Succession Planning for Small and Family Businesses Navigating Successful Transitions presents a comprehensive approach to guiding such efforts Small and family owned businesses rarely employ first rate well qualified talent in human resources More typically business owners must be jacks of all trades and serve as their own accountants lawyers business consultants marketing experts and HR wizards Unfortunately that does not always work well when business owners embark on planning for retirement or business exits To help business owners avert problems this book advises on some of the management tax and financial legal and psychological issues that should be considered when planning retirement or other exits from the business This comprehensive approach is unique when compared to the books articles and other literature that currently exist on the market This book takes on a bold and integrated approach Relevant research combined with the rich experiences of the authors connects this thorough evidence based approach to action based approaches for the reader
