**Time's Up** Susan Murphy-Milano, 2010-03 Today there are more than five million women and their children are living in a violent relationship and this number is increasing as new technology from tracking devices on cell phones to computer technology allow an abuser to track its victims every move Domestic violence and stalking related crimes are being dismissed in a flurry of shuffled divorced documents and court orders of protection You cannot plead with an abuser and walk away from potentially life threatening situations if you are unable to learn the steps necessary to protect yourself In this straight forward clearly written guidebook veteran violence safety expert Susan Murphy Milano provides victims the tools and support they require to face this debilitating problem and take the necessary steps to regain control of their lives Victims and those going through divorce now are able to provide information in their own words about the fears dangers experiences they have had at the hands of their abuser Like our own individual fingerprints no two crimes against a victim are the same An abuser is clever like a fox and this book will teach you the techniques to be ten steps ahead before a threat against your life can be carried out against you or your children With the Evidentiary Abuse affidavit provided in this book a victim will be able to provide legal documentation and answers allegations and fears that arise when a person has disappeared when they announce the

relationship is ending gone missing or have been found dead You will be able to properly document and describe Threats made against your life or well being Incidents of past abuse that a victim had endured Admissions of how a threat will be carried out against a victim once they announce they are leaving or filing for a divorce Where evidence or weapons would or could be located Portray visible injuries or marks Determine how to begin and continue through the complex maze a victim faces with police and prosecutors How to leave a Perpetrator How to collect evidence on the fly How to begin and continue on the road to safety using a virtual toolbox of techniques How family and friends can be crucial in this process Using the creative approaches developed in this ground breaking guide book by Susan Murphy Milano will take the victims from the State of being controlled to the State of being in control Susan is the author of *Defending Our Lives Getting From Domestic Violence and Staying Safe and Moving Out Moving On when a Relationship Goes Wrong Workbook* There is nothing like this out there The reason this book is so valuable is that it is the first book to provide step by step procedures and structure to protect everyone from dangerous and abusive relationships Rev Jennifer Burns Lewis Pastor [Mothers of the Village](#) C.J. Schneider, 2016-03-08 So many mothers feel like something is out of joint something is missing and maybe the truth is that we are all just missing each other C J Schneider found herself in the middle of a perfect storm after giving birth to her third child and moving to a new neighborhood Conditions for misery and postpartum depression were ideal she was isolated lonely and exhausted with three young children at home As she started talking with other mothers she realized that she was not alone in her experience of feeling alone In her unique voice Schneider intelligently and compassionately offers practical advice on how to create the essential community that mothers need Given the many examples of communal mothering from the past and around the world as well as modern examples of communities in which mothers are thriving the research is clear since the beginning of womankind mothering has been a communal effort Mothers of the Village affirms that as mothers connect with each other and learn to work with each other despite the challenges they may find a piece of themselves that they have felt missing all along

**Silencing Gender, Age, Ethnicity and Cultural Biases in Leadership** Camilla A. Montoya, 2018-09-15 *Silencing Gender Age Ethnicity and Cultural Biases in Leadership* is an edited volume containing eight chapters each a real life account from a Latina in a leadership position in the United States These women discuss how their professional goals may conflict with their culture's expectations for them and they describe the complexity of life choices for Latinas in the workplace including their struggles in challenging such social assumptions Although some of the contributors come from Latin American countries and others were born in the United States all eight women share similar backgrounds in regards to gender age ethnicity or other forms of cultural biases they have encountered in both their professional and social experiences The theme presented in this book is extremely relevant to the modern workplace not only where men and women of different ages ethnic and religious backgrounds come together attempting to be effective in their professional setting but also where biases that try to silence minorities still prevail This book is not a

compilation of victimizing stories on the contrary it serves as a statement of success despite adversities [Travel Goals](#)
