But WHY Instagram? What about Facebook isn't that an even larger user base? I don't know if you've noticed but nowadays we have these new superheroes let's call them known as Influencers. These people are leveraging social media to reach a massive audience of people all of which can become potential shoppers. Instagram is home to nearly 1 BILLION monthly active users and 31% of these users earn more than 75k per year. That's a lot of money floating around that you can tap into. Facebook has more users, yes, but Instagram is home to the largest percentage of BUYERS. We want people who are ready to buy and looking for someone to tell them what to buy. That's where Instagram will always win and how you'll be winning next. Look at your competitors, are they killing it? This is your kick in the butt to get started now, it's never too late. Even more reason you should buy this book and become an Instagram Influencer TODAY. Even if you've never used Instagram in your life or don't have the slightest clue what a hashtag is, this step-by-step guide will teach you everything you need to know. You don't need a budget, you can literally do everything in this book yourself and for free if you really wanted to. All it takes is some time, some hard work, and this book. So what are you waiting for? Scroll up and buy this book now, it's cheaper than a coffee.
