It is incredibly important to note that all the tips and career advice that you find in this book are not merely stolen from Google. These are real life experiences painstakingly collected over the years by successful freelancers such as Yaroslav Brol, a video editing and animation specialist from Ukraine. He started freelancing with a simple goal to pay off all of his debt while doing something he loves and does well. This is relatable because we all are dreaming about similar things. Before he began his career path, his pockets were empty and he didn't speak English. In spite of this, after a couple of years, he now earns 50 hour and is financially independent enough to travel the world with his wife and son. This freelancer's survival guide may be extremely useful both for freelance newbies and those who have been struggling with making mistake after mistake in the freelance world and wants to know how to correct them. Moreover, it will definitely come in handy whether you want to develop a designer career, try yourself as a data specialist, make money by freelance writing or marketing, or even sell your programming skills. From this freelance manifesto, you will find out HOW TO deal with fears and finally step into freelance, complete a profile that catches the eye of prospective clients, create an amazing proposal that helps you stand out in a crowd, deal with clients, how to spot difficult customers and how to find trusted long term contracts, manage your time, figure out how much to charge for your time, avoid scammers, and there are lots more. Want to be inspired to achieve greater success? The Make Money Online freelance guide will help you take charge of your own life and succeed. Diana's Freelance Tips Diana Marinova, 2016-12-06. An insider's take on how to break into the Upwork market. If you are a freelancer hoping to break into the Upwork job market, this book will save you hours of browsing through free blog posts and forums. You might be thinking, why pay for this information when with a little diligence I can find this info all over the web? Here's why:

1. This author has managed to build a quite successful, translate lucrative career on Upwork way back when it was still oDesk and Elance. She knows that ins and outs of this platform.
2. She's been on both sides of the equation, hiring people herself and pitching and winning major bids for projects and contracts.
3. There are many things that you only learn after years and years of working through this platform, and she's privy to most of this knowledge. Now you can benefit from her experience. I've known people who ask me for advice on how to get started on Upwork. These days, instead of giving them a lengthy explanation, I just email them a link to this e-book. It has everything they need to know, and more.

Chrystina and Brian, Amazon Customer: It was an AWESOME book starting a freelance career. Thanks, Diana, for this COOL info. Would recommend every Freelance beginner reading this book before starting, and along the way, I have got a lot from this book and have started from scratch on Upwork. It does help you create your first base ground to launch a successful freelance business.

Amazon Customer: What I liked the most about the book is

that it motivates and inspires you The author gives you some homework and you will appreciate the value of the book right at the moment you start doing the first homework Ilian Yankulov Freelancer Project Manager working remotely for a Danish Digital Agency This book is the direct result of Diana Marinova s extensive experience as a freelance marketing consultant and the many questions she receives on a daily basis from the fellow freelancers who read her blog What experience you ask She has completed more than forty freelance projects She is a top rated freelancer on Upwork formerly oDesk with 6 500 paid hours and even more if counting the hours spent working on fixed price jobs Clients continuously rate her work with the maximum review rating of five stars Today she fully enjoys the freelance lifestyle traveling the world while making a good living working online Her market rates range from 40 per hour for hourly jobs all the way up to 100 per hour when working on fixed price projects And she sure made a lot of mistakes early on in her freelance career for example she was selling herself short when working for as low as 7 per hour during the first few months Don t make rookie mistakes when you can learn from hers Download the sample of the book and see what s in it But be warned this book is not a silver bullet for success You have to roll up your sleeves and work hard to achieve your goals If you are committed to succeed this book is everything needed to kick start your freelance practice on Upwork formerly oDesk Diana tells her story while also walking you through all the steps needed to lay a solid foundation for your freelance business on Upwork In the end of each chapter she includes action items a k a homework assignments to help you put all tips in practice right away Have a look inside to see the Table of Contents and the first couple of book sections
