## Best Things:

*Good Things to Do* Rüdiger Bittner, 2023 Rüdiger Bittner argues that the aim of thinking about what to do of practical reason is to find not what we ought to do but what it is good to do under the circumstances Neither under prudence nor under morality are there things we ought to do There is no warrant for the idea of our being required by natural law or by our rationality to do either what helps us attain our ends or what is right for moral reasons While common moral understanding is committed to there being things we ought to do and to our being guilty and deserving blame if we fail to do them we can lay aside these notions without loss indeed with benefit The volume also explains what it is for something to be good to do under the circumstances and argues for understanding practical reason in these terms What is good to do we find by experience what we go through teaches us what helps and what hinders and helps us figure out what is prudentially useful and what is morally right to do although ultimately this difference itself gives way and morality turns out to be a part of prudence *Puck's Library*, 1887 **Quotes for Signboards, Marquees, Church Signs, Inspiration, and Reflection** Stan H. McCarley, 2024-02-02 Character is doing what is right when no one else is looking Keep your fears to yourself but share your courage with others Never put the key to your happiness in someone else's pocket Quantity is what you count quality is what you count on Very few burdens are heavy if everyone lifts These are just a few of the quotations that I have included in this book It is a culmination of over four decades of gathering quotes and sayings noticing church and marquee signs and bumper stickers and most recently researching on the Internet In the preface for this book I went through and listed quotes that meant a lot to me but as I look back I realize that they all mean something to me I hope that you can use them for motivation reflection and inspiration **The Works of John Owen** John Owen, 1851 [Complete Works](#) Richard Sibbes, 1862 **The Repugnant Conclusion** Jesper Ryberg, Torbjörn Tännsjö, 2007-11-10 Most people including moral philosophers when faced with the fact that some of their cherished moral views lead up to the Repugnant Conclusion feel that they have to revise their moral outlook However it is a moot question as to how this should be done It is not an easy thing to say how one should avoid the Repugnant Conclusion without having to face even more serious implications from one's basic moral outlook Several such attempts are presented in this volume This is the first volume devoted entirely to the cardinal problem of modern population ethics known as The Repugnant Conclusion This book is a must for moral philosophers with an interest in population ethics *Half-hours with the Best Authors* Charles Knight, 1850 **The Chautauquan**, 1894 *Merchants Trade Journal*, 1914 **The Journal of Education** Thomas Williams Bicknell, Albert Edward Winship, Anson Wood Belding, 1929 [Annual Report of the Pennsylvania Department of Agriculture](#) Pennsylvania Department of Agriculture, 1912 Report of Pennsylvania Forestry Commission published in 1896 1895 pt 2 **A Hebrew and English Lexicon of the Old Testament** Wilhelm Gesenius, 1894 **Annual Report of the Secretary of the Connecticut Board of Agriculture** Connecticut State Board of Agriculture, 1902 Report for 1898 has Appendix Condensed
