StoryCraft Martha Seif Simpson, Lynne Perrigo, 2015-11-17 While storytelling is a great favorite of preschoolers many elementary age children are more drawn to crafts and other activities *StoryCraft* is an award winning library program that combines storytelling with crafts in an exciting and engaging activity for children in first through third grades Each one hour program includes storytelling a craft movement activities music and discussion This collection of *StoryCraft* programs presents 50 fun and educational theme based sessions Each includes suggestions for promotion music crafts activities and stories The sessions also include bibliographies to help direct young readers toward additional reading as well as diagrams detailed instructions and supply lists for the crafts The themes range from a Jungle Safari to Math Mayhem to a Western Roundup all encouraging children to enjoy reading in a variety of ways Each session has plenty of suggestions so that the program can be customized Helpful Hints for implementing the program can help any librarian volunteer or parent turn a hum storytime into a dazzling *StoryCraft* time

[The Best Christmas Ever](#) Brian W. Kelly, 2022-09-28 This is the story of a young boy with a 26 bike who had a burning desire to have a train set to go around the family Christmas tree each year This story is true It takes the reader on a journey using a 26 1950 s style homemade bicycle starting from when the boy was five years old and it ends when he is nine Either a miracle happens or the Christmas Spirit or Santa or all three bring forth one of the happiest and most amazing moments that any child can experience in a lifetime Not all stories even Christmas end well This incredible story will not disappoint any reader once you mount the 26 bike right next to the young boy as he goes through the preparations and the work efforts and adventures within this story The ending is outstanding If it were not true it would still make a great Christmas Story Since it is true it makes it even more special especially for me I am the boy in the story Thank you for reading it It melts my heart whenever I think about it

Children's books, brain development, and language acquisition Ralf Thiede, 2018-11-13 This book correlates English speaking children s brain development and acquisition of language with the linguistic input that comes from children s books Drawing from the most current research on the developing brain the author demonstrates how language acquisition is exclusively interactive and highlights the benefit that accrues when that interaction includes the exploratory language play found in early childhood literature Through discussions of specific domains of grammar the relation of these domains to children s literature through scaffolding and the resultant linguistic and cognitive advantages for the child this volume offers an innovative approach to early brain maturation
