**Japanese for Professionals: Revised (Enhanced with Audio)** AJALT, 2021-03-03 From the authors of the best selling Japanese for Busy People series comes a must have for intermediate and advanced learners who want to focus on building business Japanese language skills The Association for Japanese Language Teaching AJALT renowned for its Japanese for Busy People series has developed a comprehensive course for students who need to use Japanese in a real life business environment Almost a decade after its first edition Japanese for Professionals has been revised and updated to reflect current business scenes Moreover learners can now practice their listening skills with the

newly added audio for the dialogues and exercises from the text Eight lessons introduce common business situations with the emphasis on how to communicate with Japanese colleagues and clients Each lesson is consisted with two parts Part 1 is set to observe the dialogue and Part 2 is set to further enhance comprehension of the dialogue with exercises Precise definitions for all new vocabulary and lucid explanations of grammar idioms and cultural differences provide the reader with powerful communication tools for the office Exercises and quizzes have been included to help students check their progress Busy professionals will find the bilingual glossaries a useful reference even after completing all the lessons in this clear and extremely helpful textbook Japanese for Professionals is specially designed for learners who are familiar with basic Japanese and ideally be at level N2 or N3 of JLPT Japanese Language Proficiency Test **Books Out Loud** ,2007 **Japanese for Busy People II (Enhanced with Audio)** AJALT,2021-06-08 Volume I dealt with survival Japanese for tourists and other short term travelers and newcomers to Japan Volume II meanwhile turns to the basics of Japanese syntax The book is by no means only about grammar however Rather it is designed to help learners consolidate their understanding of syntactical structure through lessons that focus on how to talk about topics relevant to daily life In addition to serving learners continuing from Volume I Volume II will benefit those who have already studied beginning Japanese to some extent but wish to brush up on syntax Major Features of Japanese for Busy People II Revised 3rd Edition Japanese for Busy People II Revised 3rd Edition will enable learners to progress smoothly through the equivalent of the latter half of a typical first year Japanese course while gradually building speaking and listening skills Learners approaching mid beginner status often find themselves suddenly faced with syntax and vocabulary much more complex than what they have studied before Such grammar and vocabulary do not appear as frequently in everyday conversation as those words and structures they have learned up to this point necessitating that they spend ample time on review Moreover learners at this stage are expected to become familiar with verb tense and aspect time expressions conditional clauses and other topics that require them to have a solid grasp of context and speaker intent if they are to fully understand the differences in meaning conveyed by each Such points cannot be mastered by reading through grammatical explanations alone In short the mid beginner level is a difficult one for many adult learners who unlike students in school have neither time nor opportunities to take repeated tests or to otherwise gauge their progress Japanese for Busy People II Revised 3rd Edition helps overcome the above obstacles through grammar and content topics carefully selected to be appropriate to learners at this level of Japanese proficiency The book is designed so that by practicing talking about each topic learners will gradually and effectively acquire sentence patterns and vocabulary related to that topic Like Volume I Volume II is organized into several large units each covering topics grouped under a particular theme In this way the book enables learners to achieve a well balanced understanding of grammar sentence structure and context *Tech Talk* Vicki Hollett,2005 A practical course for adult learners working in the technical industrial and scientific sectors in an international context who need English for everyday workplace communications Key Features Simple

needs related language presented clearly and logically on a need to know basis to help learners start communicating immediately Vocabulary relevant to practical work situations Short practical speaking tasks enable learners to use new language in hands on contexts such as explaining purpose giving instructions and describing what things do Frequent recycling to continually review and consolidate learning Real help in telephoning e mailing and reading technical information Survival skills such as getting directions changing money and ordering food plus games and other fun activities Teacher s Book Unit by unit teaching notes Information and ideas for non specialist teachers Full answer key **Deutsche Nationalbibliographie und Bibliographie der im Ausland erschienenen deutschsprachigen Veröffentlichungen** ,2005 **Multimedia and Videodisc Compendium** ,1995 [IASA-TC04 Guidelines on the Production and Preservation of Digital Audio Objects](#) International Association of Sound and Audiovisual Archives.
