## **Better That 100 Witches Should Live:**

**Better that 100 Witches Should Live** James Edward Maule,1995      **A Storm of Witchcraft** Emerson W. Baker,2015  
This fascinating account of the Salem Witch Trials explores their religious social and political dimensions their origins their critics and their aftermath as well as their influence on the American cultural imagination to the present day      Tenacious of Their Liberties James F. Cooper Jr.,1999-02-04 Although the importance of Congregationalism in early Massachusetts has engaged historians attention for generations this study is the first to approach the Puritan experience in Congregational church government from the perspective of both the pew and the pulpit For the past decade author James F Cooper Jr has immersed himself in local manuscript church records These previously untapped documents provide a fascinating glimpse of lay clerical relations in colonial Massachusetts and reveal that ordinary churchgoers shaped the development of Congregational practices as much as the clerical and elite personages who for so long have populated histories of this period Cooper s new findings will both challenge existing models of church hierarchy and offer a new dimension to our understanding of the origins of New England democracy Refuting the idea of clerical predominance in the governance of colonial Massachusetts churches Cooper shows that the laity were both informed and empowered to rule with ministers rather than beneath them From the outset of the Congregational experiment ministers articulated and lay people embraced principles of limited authority higher law and free consent in the conduct of church affairs These principles were codified early on in the Cambridge Platform which the laity used as their standard in resisting infringements upon their rights By neglecting the democratic components of Congregationalism Cooper argues scholars have missed the larger political significance of the movement Congregational thought and practice in fact served as one indigenous seedbed of several concepts that would later flourish during the Revolutionary generation including the notions that government derives its legitimacy from the voluntary consent of the governed that governors should be chosen by the governed that rulers should be accountable to the ruled and that constitutional checks should limit both the governors and the people By examining the development of church government through the perspective of lay clerical interchange Cooper comes to a fresh understanding of the sometimes noble sometimes sordid and sometimes rowdy nature of church politics His study casts new light upon Anne Hutchinson and the Antinomian Controversy the Cambridge Platform the Halfway Covenant the Reforming Synod of 1679 and the long standing debate over Puritan declension Cooper argues that in general church government did not divide Massachusetts culture along lay clerical lines but instead served as a powerful component of a popular religion and an ideology whose fundamentals were shared by churchgoers and most ministers throughout much of the colonial era His is a book that will interest students of American culture religion government and history      *Law and Religion in Colonial America* Scott Douglas Gerber,2023-11-02 By focusing on law this book offers new insights into the history of religious liberty in colonial America      **Demonology and Witchcraft** Jean-Pierre Coumont,2004 Extensive bibliography on

demonology and witchcraft systematically describing all materials including books monographs conference reports and doctoral dissertations covering these subjects subjects from the 15th century to the 21st century 5000 entries and indices on author subject and anonymous works 320 b w illustrations of title pages Newsletter Association of American Law Schools. Section on Law and Religion,1996 *Quaker History* ,2003 *The AALS Directory of Law Teachers* ,2005 Current Law Index ,1998 *Dictionary of International Biography* ,2001 A biographical record of contemporary achievement together with a key to the location of the original biographical notes Forthcoming Books Rose Army,1996-06 **The Cumulative Book Index** ,1996 A world list of books in the English language **Three Plays of the Argentine: Juan Moreira, Santos Vega, The Witches' Mountain** Edward Hale Bierstadt,1920 **Witchcraft in North Carolina** Tom Peete Cross,1919 **The Youth's Companion** Nathaniel Willis,Daniel Sharp Ford,1925 Includes music *Live Stock Journal* ,1899 **Index to Legal Periodicals & Books** ,1998 **The Rural New-Yorker** ,1923 **Wallaces' Farmer and Dairyman** ,1927 **Academy and Literature** Charles Edward Cutts Birch Appleton,Charles Edward Doble,James Sutherland Cotton,Charles Lewis Hind,William Teignmouth Shore,Alfred Bruce Douglas,Ellis Ashmead-Bartlett,Thomas William Hodgson Crosland,1886
