Emery, Ted Curtis Smythe, 1983      The Messenger's Motives ... John L. Hulteng, 1976 Examines more than 150 cases involving news media ethics focusing on areas where a clear cut decision was not obvious and analyzing the solutions arrived at by the men and women involved      *Facts, Fiction, and African Creative Imaginations* Toyin Falola, Fallou Ngom, 2009-09-11 This volume brings together insights from distinguished scholars from around the world to address the facts fiction and creative imaginations in the pervasive portrayals of Africa its people societies and cultures in the literature and the media The fictionalization of Africa and African issues in the media and the popular literature that blends facts and fiction has rendered perceptions of Africa its cultures societies customs and conflicts often superficial and deficient in the popular Western consciousness The book brings eminent scholars from a variety of disciplines to sort out the persistent fictionalization of Africa from facts pertaining to the genesis of powerful cultural political or religious icons the historical and cultural significance of intriguing customs such as tribal marks gender relations causes of conflicts and African responses and creative imaginations in contemporary African films fiction and literature among others      *Mass Media Issues* George R. the reader that what she is about to delve into is a true account of a multiple murder and its consequences Capote 2000 1966 As will be seen in the opening chapter criticism of *In Cold Blood* has therefore to a great degree revolved around Capote's and the book's adherence to this assertion of truth The Shorter Oxford English Dictionary on Historical Principles SOED lists as the three first entries under the head word true true tru 1 Steadfast in allegiance loyal faithful constant 2 Honest honourable upright virtuous straightforward sincere 3 Of a statement report etc consistent with fact conforming with reality The following investigation of *In Cold Blood* and of the biopic based on Capote's work on the book Bennett Miller's *Capote* 2005 will proceed along the lines of these three aspects of the definition questioning Capote's claim of rendering a true account The genre chapter and large parts of the ensuing discussion of *In Cold Blood* will be especially concerned with the definition's third aspect *In Cold Blood*'s consistency with fact and its conformity with reality The question will be raised as to whether or not a true account of real events is possible at all and in what ways Capote and other writers of New Journalism as the genre is most frequently called today have tried to achieve such true accounts **The Reader's Adviser**, 1977
