Forming an LLC, a Limited Liability Company, is one of the smartest ways to protect your personal assets, reduce your tax burden, and build a business that's legally sound from day one. The problem? Most people don't fully understand how to create, manage, and scale an LLC the right way. Whether you're launching a side hustle, starting a small business, or finally turning your passion into a full-time venture, this book offers step-by-step guidance written in plain language. Inside, you'll discover how to choose the right business structure for your goals, validate your business idea, and select a name that positions your company for success.
