insider's take on how to break into the Upwork market If you are a freelancer hoping to break into the Upwork job market this book will save you hours of browsing through free blog posts and forums You might be thinking why pay for this information when with a little diligence I can find this info all over the web Here's why 1 This author has managed to build a quite successful translate lucrative career on Upwork way back when it was still oDesk and Elance She knows that ins and outs of this platform 2 She's been on both sides of the equation hiring people herself and pitching and winning major bids for projects and contracts 3 There are many things that you only learn after years and years of working through this platform and she's privy to most of this knowledge Now you can benefit from her experience I've known people who ask me for advice on how to get started on Upwork These days instead of giving them a lengthy explanation I just email them a link to this e book it has everything they need to know and more Chrystina and Brian Amazon Customer It was an AWESOME book starting a freelance career Thanks Diana for this COOL info Would recommend every Freelance beginner reading this book before starting and along the way I have got a lot from this book and have started from scratch on Upwork it does help you create your first base ground to launch a successful freelance business Amazon Customer What I liked the most about the book is that it motivates and inspires you The author gives you some homework and you will appreciate the value of the book right at the moment you start doing the first homework Ilian Yankulov Freelancer Project Manager working remotely for a Danish Digital Agency This book is the direct result of Diana Marinova's extensive experience as a freelance marketing consultant and the many questions she receives on a daily basis from the fellow freelancers who read her blog What experience you ask She has completed more than forty freelance projects She is a top rated freelancer on Upwork formerly oDesk with 6 500 paid hours and even more if counting the hours spent working on fixed price jobs Clients continuously rate her work with the maximum review rating of five stars Today she fully enjoys the freelance lifestyle traveling the world while making a good living working online Her market rates range from 40 per hour for hourly jobs all the way up to 100 per hour when working on fixed price projects And she sure made a lot of mistakes early on in her freelance career for example she was selling herself short when working for as low as 7 per hour during the first few months Don't make rookie mistakes when you can learn from hers Download the sample of the book and see what's in it But be warned this book is not a silver bullet for success You have to roll up your sleeves and work hard to achieve your goals If you are committed to succeed this book is everything needed to kick start your freelance practice on Upwork formerly oDesk Diana tells her story while also walking you through all the steps needed to lay a solid foundation for your freelance business on Upwork In the end of each chapter she includes action items aka homework assignments to help you put all tips in practice right away Have a look inside to see the Table of Contents and the first couple of book sections [Practical Guide Through FREELANCING](#) Igor Katusic,2020-09-10 The first ever all in one comprehensive and BS free guide to a profitable freelancing career based entirely on experience case studies and examples from practice You will learn a professional methodology of acquiring

profitable freelance contracts on the world's largest platforms and through a direct cold pitch. We will go through the successful registration process on Upwork step by step to pass the Upwork's rigorous vetting process using a real case study of a young man from Southeast Europe whose original application was rejected only a week earlier. We are following him to his very first job on the platform and the first top rating. You'll see the entire process and confirm with your own eyes that the cover letter template provided in this guide lands a contract within days following the successful registration on the world's biggest freelancing platform even in its raw form. You will see how top-rated veteran freelancers are choosing jobs and how they are writing professional cover letters/proposals that win contracts in 75% of the cases consistently over the past 5 years. We are using screenshots of the real-life examples and active practices exclusively. You will gain all the necessary knowledge to organize your work from home business routine. In the end, you will be making as much money as you wish from the comfort of your home without a boss. There's also a list of useful links necessary to start your future freelancing career. Cool, innit? As freelancers, we work whenever we want and how much we want; we take breaks and vacations whenever we feel like it and make as much money as we want. All from the comfort of our homes. That's the reality of the modern professional freelancing. It's the world in which YOU have the first and last word. If you have the thing and passion for writing blogs, academic works, books, and tutorials, graphic and web design, frontend/backend web development, illustrations, sales, and marketing, web and mobile software development, or if you want to make money as a virtual assistant for the world's renowned brands, freelancing is the career for you. If you can't get a job or perhaps you are working but you wanna cry every time you see the paycheck and on top of that the debt is breaking through the roof due to the unpaid student loan, utility bills, and rent, freelancing is the best solution. You will even see how to open a single international bank account from your chair to charge your clients in USD, EUR, GBP, AUD, or YEN without incurring those excessive bloodsucking fees. If your master's degree is in the pocket but you can't see a profitable and appealing job opportunity with Hubble, freelancing is definitely a far better solution than agreeing to something crappy, insulting, and probably miserable. Get up when you want, start working when it clicks, take a break when you feel like it, and work from any place on this planet you prefer while earning as much as you want.
