**Current Opinion**, 1898 *The Connected Leader* Karen Joy Hardwick M.Div. MSW, 2021-11-23 Connection is the antidote yet many of us don't know how to connect to ourselves compassionately in order to enhance self discovery Without this gift we cannot connect in a meaningful way to a higher purpose or engage with others to ignite inspiration With the help of Hardwick's connection architecture we can transform By utilizing her strategies of connection we can empower workplaces and relationships through the grace and grit resilience and empathy that occur when our connection wiring is activated in healthy ways Hardwick's willingness to share her story of struggle and triumph along with anecdotes from the boardroom and family room help us to awaken heal and courageously lead She synthesizes the emotional spiritual and relational giving us permission to look honestly at how we do damage to ourselves and others while inviting us to live and lead from a place of true well being *The Connected Leader* is profoundly important Karen's written a guide that is at once both practical and actionable while vividly authentic and real Using her own broken open heart she shows how each of us is seeking presence and connection and that the best leaders leading from a connected soul create the conditions for a lasting sense of belonging Jerry Colonna author *Reboot Leadership and the Art of Growing Up* Hardwick's inspiring message is there's a more fully human way to lead rooted in emotional spiritual and relational wholeness *Connected leadership is the way of the future* Highly recommended Ian Morgan Cron author *The Road Back to You*
