God'S Illusion Machine Māyeçvara dāsa,2013-12-30 In the tidal wave of intellectual argument that followed the 2006 release of Richard Dawkinss God Delusion book a fierce debate has raged between atheism and religion over the existence of God leaving the worlds scientists and laymen largely undecided in their opinion Gods Illusion Machine presents a fascinating alternative to a debate that has largely been argued within the framework of Christian versus science concepts Drawing upon the worlds oldest body of knowledge the Vedas the author describes the massive illusion to which we are all subjected as we mistakenly believe ourselves to be physical creations of the material world In Gods Illusion Machine the material world is gradually exposed as the ultimate virtual reality machine for wayward souls who prefer a self centred rather than a God

centred existence In contrast to Richard Dawkins assertion that the religious are suffering a delusion for believing in God the author argues that both the atheists and the religious are under the spell of Gods deluding energy called My which acts in reciprocation with a souls desire to be in illusion within the physical realm By applying the profound spiritual insights of Vedic knowledge along with a healthy dose of common sense and good humour Gods Illusion Machine is an enthralling expos of the deceptive nature of the material world and the false claims of materialists regarding the nature of life and love It is a triumph of spirituality over both atheistic materialism and religious dogmatism Gods Illusion Machine is a work of major importance realigning Western religion philosophy and science with eternal spiritual truths an enlightening read for both the atheist and the religious bringing spiritual certainty and true love to bewildered souls in troubled times For atheists who like a good argument for the religious who are stuck for a reply to Richard Dawkins for fans of fantasy and sci fi where forces of light and illusion contend in battle and for you the reader whatever your disposition this book will forever change your outlook on life and its meaning As the rising sun disperses the darkness of night so in the presence of Krishna The Absolute Truth my illusion cannot stand

The Port Jackson Paisans Bill Dantini,2013-10 The Port Jackson Paisans is a story about family albeit an off the wall dysfunctional and slightly dangerous one Narrated in a funeral home by octogenarian Franky DeRossi it recounts how a bungling band of Italian Americans stopped the Brooklyn mob from taking over their hometown in 1962 Gritty poignant and woefully funny it s the enduring story of family and friendship and the ties that bind The paisans are well meaning Goombahs who bet their paychecks on the ponies concoct doomed stratagems that never make a nickel run numbers and live life to the fullest The Port Jackson Paisans is funny joyous and irreverent a window into the lives of a close knit small town Italian American family
