## **Back To The Cross:**

**Back to the Cross** Watchman Nee, 2009-10-09 We today are at the terminal period of the dispensation of grace The hand of the clock is pointing at the midnight hour Now is the darkest of the night Soon following the gloomiest hour the day shall dawn Meanwhile the Church rushes swiftly towards apostasy moving farther away from God the power of darkness is unleashed its evil influence is as damaging in the Church as in the world The cross of Christ is the sole light that enlightens the current darkness It is therefore time for the Church to go back to the cross to the firm foundation of God There sins are cleansed and self is delivered There the redemptive facts of God are revealed for us to believe and enter in There the power of resurrection is experientially known so that the Church may once again be the true witness of Christ on earth It is time for God s children to seek for higher life and service time to review the past and rededicate themselves for the days ahead At the closing of this age the activities of Satan are intensified How greatly are the children of God being attacked oppressed and especially deceived Now is the time for the saints to rise up and exercise the victory of the cross to resist and counterattack the Enemy How fierce is the battle Can the saints overcome without being fully armed Saints of God arise stand on the victory of Calvary and proclaim the victory of Christ Your King is coming and the days of the Enemy are numbered This present volume is a compilation of various writings and addresses given by Watchman Nee in the early days of his ministry The passage of time however only increases the urgency of these messages which are as relevant today perhaps even more so than at the time of their first delivery Would that God s children might return to the cross and be true followers of Christ crucified May the Church of God be re awakened to her calling as the light in the world holding forth the word of life May she stand in the victory of Christ and bring back the King of kings and the Lord of lords

**The Back Side of the Cross** Diane Leclerc, Brent Peterson, 2022-06-29 The cross has always been portrayed as the means of salvation and forgiveness for sinners but does it have anything to say to those who have been sinned against This book shows that the atonement of Christ has powerful potential to speak to those who have been wronged especially those who have been abused and abandoned in countless ways those who cower at the back side of the cross wondering if they are included As victims of various kinds of abuse are beginning to come out of the shadows in cultural conversation and in the context of the church The Back Side of the Cross is a timely book for several audiences It is thoroughly rigorous and will interest theologians and their students it also offers a very practical section for pastors and those who want to care for the wounded and it can even reach survivors themselves as it offers true hope in the urgency of such real pain
