Backpacking With God:

With God on the Hiking Trail Nathan Chapman, 2002 Chapman explores the many parallels between walking with God and walking in the outdoors in this collection of devotional meditations He draws on personal experiences that can resonate with both seasoned trekkers and casual hikers *Backpacking With God* David Connor, 2018-05-07 After 34 years of backpacking and hiking After logging literally thousands of miles on backcountry trails throughout the major national parks of the western US Canada and Alaska After all I have seen and experienced I am constantly asked where is your favorite spot which is the best of the best A tough question How do you compare a canyon with a mountain a waterfall with a glacier the continental divide with a valley When pressed to choose the view of Grand Teton as seen from the north fork of Cascade Canyon in Grand Teton National Park is hard to beat That is why I chose my photo of that scene for the cover of this book

Backpacking with God Dearne E. Tobin, 2001-04 Join the author on a journey of self discovery as she travels around the globe After a traumatic experience while working in Jordan Dearne begins to question who God is and the validity of her beliefs Her search for answers eventually leads her back to the foot of the cross Her re discovered faith is tested a short time later during a trip to Egypt with tragic consequences Everything that she had come to believe in so strongly in the previous year is now under question Where did God go *Backpacking with the Saints* Belden C. Lane, 2014 Backpacking with the Saints is a captivating account of solo wilderness backpacking as spiritual practice On his solitary hikes Belden Lane has as companions the great spiritual texts of the world s religions The wilderness he argues offers an enlightening approach to the texts presenting the opportunity to explore the interior landscape and the spiritual realm of nature The book thoughtfully examines the place of nature in the spiritual life and the dynamics of reading in the wild *Hike Through the Bible* Colin S Smith, 2025-11-04 Gear up for some trails that will change your life If you ve ever been on a hike then you ve experienced views that stir your soul But hikes can also be fatiguing slippery and precarious Hike Through the Bible is a 50 session journey that helps you navigate through difficult passages of Scripture and takes you down exciting new trails where you ll encounter the Lord in an up close and personal way Serving as a trusted pastoral guide Colin Smith leads you on a rigorous path where you ll explore the depths of God s Word Each section of the hike includes five questions for personal reflection or group discussion You will scale mountainsides sit by waterfalls and see rocks and foliage that you ve never noticed Like any great hike studying Scripture can feel intimidating or like hard work But the discoveries and this is a promise are worth every minute of it **Meditations for the Trail** Terry L Paulson, PhD, 2021-05-02 This Christian hiking devotional allows you to take God with you every time you take to the trails This series of sixty short devotionals is designed to be used by individuals and groups to nurture their faith while enjoying nature and the hiking experience Dr Paulson used to conduct COPE Wilderness Workshops in the Sierra Nevada Mountains Now a bit older and wiser he leads the Heavenly Hiking Fellowship into the Santa Monica Mountains for New Hope Lutheran Church in Agoura Hills CA Doing so has once again

allowed him to fall in love with hiking as an exercise and a way to draw closer to God and his fellow hikers There is no better place than an open air cathedral of trees and blue skies to invite God s presence into your day Take this devotional with you whether alone or with other believers Take a moment to read a devotion and to ask for prayer requests Spend time in quiet meditation after listening for God s words for you today Take time to pray and draw closer to your Lord Whatever you take to the hills never forget to take God along on your hike Return to this reader friendly devotional over and over again to find new ways to make your hiking a growth in grace **May to May My Journey to Self-love with God** Reabetswe

Moabi,2024-08-16 One of societys main problems today is a lack of self love this is evident in the way most people live their lives sadly I was also part of the statistic The fact that I was not living life to the full bothered me in many ways I was not running my own race I constantly compared myself to others I had not accepted myself for who I was and I had not taken full responsibility for my life I was merely alive and confused Although everything on the outside looked good I felt miserable I learned the hard way that what goes on inside us is more important than what people can see A lack of self love impacted most areas of my life negatively I knew something needed to change Once I had surrendered my life to God He helped me see my own value I started May to May My Journey to Self love with God to move my life in the right direction After discovering the 20 components that lead to self love my life has never been the same I could finally accept myself just as I was I am proud to say there is no other race I would rather run than my own I needed to love myself first so I could truly live Short Hikes in God's Country Chuck Dillon,1995 **Hiking the Trail of Truth** Mark Stephen Taylor,2009-02 The desire to know God is
