**The Backyard Horseman** Ron Rude,1987      **Love on Horseback** Cherylyn L. Howard,2003-06 This book is a collection of poems written over the past thirty years by my sister Donna Many of them were written for our parents and saved by our mother After our father died of cancer I collected the poems and with the coaxing of family and friends who believe they are so beautiful they should be shared typed them for publication The poems are divided into four categories Our Family On Life Nature and Prayers These poems attest to the beauty and strength of our parents character and the lessons they taught us Ginny Brady Mohr      **Trainer Training** Keith Hosman,2021-05-06 Unillustrated This book primarily concerns itself with the BUSINESS of training horses This is NOT a horse training book for the non professional Trainer Training offers one hundred situations a professional horse trainer might face Written specifically for the professional horse trainer this is a compilation of one hundred things I've learned throughout my over thirty years with horses sixteen plus of them as a pro Some are listed quickly some are placed in greater detail For each entry to paraphrase Mozart I used only as many notes as necessary and point the reader toward further resources when the subject matter threatens to creep beyond the scope of this book This is not meant to outline the only way to do things or to look at things it's simply one hundred quick pieces of advice I'd offer a compatriot were I asked Every horse trainer reading this could easily make their own list and given our myriad experiences and disparate backgrounds I doubt we'd overlap all that much And there it's that lack of overlap that gives this book both its perspective and value My background beyond horses is in marketing writing and as a long time computer geek Hence the tips contained herein focus to a great extent on those segments of our business Note also that a great deal of the info also circles around special events clinics symposiums talks etc that a pro might offer in large part because this is where so darned many weird things can happen and where much money can be made      Cherry Hill's Horse Care for Kids Cherry Hill,2012-10-26 Covering the essentials of equine care in a language appropriate for teen and preteen horse lovers this guide provides everything young equestrians need to know to safely and enjoyably keep their horse healthy and happy Veteran trainer Cherry Hill starts by making sure that the right animal is matched with the right rider then progresses through feeding grooming behavior safety and health care Encouraging their passion Hill provides a roadmap for young horse enthusiasts to responsibly care for their cherished companion      *Wyoming Library Roundup* ,1988      *Paperbound Books in Print* ,1992      *Recreational Impact on Wildlands* ,1979      *Video Source Book* ,2008      **Recreational Impact on Wildlands** United States.
