Shakespeare's Comedy of Love Alexander Leggatt,2013-10-11 First published in 1987 This study removes some of the critical puzzles that Shakespeare's comedies of love have posed in the past The author shows that what distinguishes the comedies is not their similarity but their variety the way in which each play is a new combination of essentially similar ingredients so that for example the boy girl changes in *The Merchant of Venice* are seen to have a quite different significance from those in *As You Like It*

Literature & the Learner Frances S. Goforth,1998 As a genre text not an anthology this text teaches students about literature forms and discusses ways of using literature in the classroom It is used to give students the background they need to evaluate select and use children's literature in their own teaching A database of current literature is provided with the text and will be updated annually

American Bookseller ,1993

Travels in Paradox Claudio Minca,Tim Oakes,2006-03-30 This innovative volume focuses on tourism through the twin lenses of cultural theory and cultural geography Presenting a set of innovative case studies on tourist destinations around the world the contributors explore the paradoxes of the tourist experience and the implications of these paradoxes for our broader understanding of the problems of modernity and identity The book examines how tourism reveals the paradoxical ways that places are both mobile and rooted real and fake inhabited by those who are simultaneously insiders and outsiders and both subjectively experienced and objectively viewed The concepts of travel and mobility long have been used to explain modern identity and social behavior but this work pushes

beyond the established literature by considering the ways that place and mobility are inherently related in unexpected even contradictory ways Travel the international cast of authors contends occurs in place rather than between places Thus instead of offering yet another interpretation of the ways modern societies are distinguished by their mobilities in contrast to the supposed place bound quality of traditional societies the chapters here collectively argue for an understanding of modern identity as simultaneously grounded and mobile This rich blend of empirical and theoretical analysis will be invaluable for cultural geographers anthropologists and sociologists of tourism

Books in Print, 1994 [From Russia to Love](#) Eva Chapman, 2012-09-04 The great violinist Viktoria Mullova's story is one of striking contrasts and huge challenges As a young musician she was a bright star in the Soviet musical firmament but she stunned the world when she escaped the KGB and fled to the West leaving behind her family friends and all she knew And in her flight from Finland Viktoria also abandoned on her hotel bed the priceless Stradivarius she'd played during her triumph at the International Tchaikovsky Competition [From Russia to Love](#) recounts the journey of a remarkable woman Armed only with her violin bow and her exceptional talent Viktoria went on to conquer the West As her new life unfolded first in America and then in Europe Viktoria met fellow exiles Nureyev and Rostropovich fell in love with conductor Claudio Abbado and learned to throw off the shackles of her Russian training Granted unparalleled access to her subject Eva Maria Chapman paints an intimate truthful and sensitive portrait of a unique artist
