

Before Scopes

EVANGELICALISM, EDUCATION, AND
EVOLUTION IN TENNESSEE, 1870-1925

CHARLES A. ISRAEL

Before Scopes

M Planty

Before Scopes:

Before Scopes Charles Alan Israel, 2004 The 1925 Tennessee v John Scopes case the Scopes Monkey Trial is one of America's most famous courtroom battles. Until now, however, no one has considered at length why the sensational divisive trial of a public high school science teacher indicted for teaching evolution took place where and when it did. This study ranges over the fifty years preceding the trial to examine intertwined attitudes toward schooling and faith held by Tennessee's politically dominant white evangelical Protestants. Those decades saw accelerating social and economic change in the South, writes Charles A. Israel. Education, long the province of family and community, grew ever more centralized, professionalized, and isolated from the local values that first underpinned it. As Israel tells, how parents and church, civic, and political leaders at first opposed public education, then endorsed it, and finally fought to control it, he reveals their deep ambivalence about the intangible costs of progress. Lessons that Evangelicals took away from failed adult temperance campaigns also prompted them to reassert control over who and what influenced their children. Evangelicals rallied behind a 1915 bill requiring the Bible to be read daily in public schools. The 1925 Butler bill criminalized the teaching of evolution, which had come to symbolize all that was threatening about theological liberalism and materialistic science. The stage for the Scopes trial had been set. Delving deeply into the collective mind of a people in an age of uncertainty, *Before Scopes* sheds new light on religious belief, ideology, and expression.

The Trial of the Century Gregg Jarrett, 2023-05-30 A masterful history of the iconic attorney Clarence Darrow and the famous Scopes Monkey Trial from the *1* New York Times bestselling author of *The Russia Hoax* and *Witch Hunt*. Nearly a century ago, famed liberal attorney Clarence Darrow defended schoolteacher John Scopes in a blockbuster legal proceeding that brought the attention of the entire country to the small town of Dayton, Tennessee. Darrow's seminal defense of freedom of speech helped form the legal bedrock on which our civil liberties depend today. Expertly researched, colorful, and dramatic, *The Trial of the Century* calls upon our past to unite Americans in the defense of the free exchange of ideas, especially in this divided time.

The Routledge History of Evangelical Christianity in America Darren Dochuk, Ian E. Van Dyke, 2026-01-28 This comprehensive reference work brings together a diverse cross-section of established and emerging historians to explore the broad and deep history of Bible-believing, born-again Protestantism and its dynamic impact on American life and society. The first part of this handbook features nine chronological chapters outlining the history and historiography of evangelicalism in the lands that became the United States from the late eighteenth century to the present. In the second part, eighteen thematic chapters examine different aspects of evangelical history, including particular worship traditions within evangelicalism such as Anabaptism and Pentecostalism; evangelical Christianity within diasporic communities such as Asian Americans and Latinos; and the intersections of evangelicalism with other aspects of U.S. history, from consumer capitalism and pop culture to sexuality and foreign relations. Together, these deep, wide-ranging, and tempered readings of religious history seek to anchor conversations

on evangelicalism in its fuller permutations as an intellectual and ecclesiastical tradition a political force a social influence and a cultural phenomenon The Routledge History of Evangelical Christianity in America is an essential guide for scholars graduate students seminarians advanced undergraduates in secular and religious universities and general readers of American history interested in the current state of the field *No Depression in Heaven* Alison Collis Greene,2016 A study of the inability of the churches to deal with the crisis of the Great Depression and the shift from church based aid to a federal welfare state **Sermons Preached Before the University of Oxford and on Various Occasions** James Bowling MOZLEY,1876 *AAUP Bulletin* American Association of University Professors,1926 **Reconstruction and Production.
