Begin To Be:

You Have to Be Prepared to Die Before You Can Begin to Live Paul Kix, 2023-05-02 From journalist Paul Kix the riveting story never before fully told of the 1963 Birmingham Campaign ten weeks that would shape the course of the Civil Rights Movement and the future of America It s one of the iconic photographs of American history A Black teenager a policeman and his lunging German Shepherd Birmingham Alabama May of 1963 In May of 2020 as reporter Paul Kix stared at a different photo that of a Minneapolis police officer suffocating George Floyd he kept returning to the other photo taken half a century earlier haunted by its echoes What Kix wondered was the full legacy of the Birmingham photo And of the campaign it stemmed from In *You Have To Be Prepared To Die Before You Can Begin To Live* Paul Kix takes the reader behind the scenes as he tells the story of the Southern Christian Leadership Conference s pivotal 10 week campaign in 1963 to end segregation in Birmingham Alabama At the same time he also provides a window into the minds of the four extraordinary men who led the campaign Martin Luther King Jr Wyatt Walker Fred Shuttlesworth and James Bevel With page turning prose that read like a thriller Kix s book is the first to zero in on the ten weeks of Project C as it was known its specific history and its echoes sounding throughout our culture now It s about Where It All Began for sure but it s also the key to understanding Where We Are Now and Where We Will Be As the fight for equality continues on many fronts Project C is crucial to our understanding of our own time and the impact that strategic activism can have

Finding Your Power to Be Happy: Seven Practices to Bring Unconditional Happiness into Your Life D.E. Hardesty, 2015-04-25 Learn to find the happiness that is natural to you and enjoy better relationships better health more success and a longer life The peculiar thing about us humans is we spend a lot of time working to find people and things that will make us happy In fact we seem to spend the majority of our time doing this However there is no guarantee that any of this effort will work There are lots of people who have hordes of people around them and who have lots of things but have been unable to make themselves happy The truth is happiness can be had with little effort Have you ever been happy for no reason at all Of course you have Without anything changing in life happiness just appears We see it in young children all the time In fact we expect to see it in children If you happen to ask a smiling child why he or she is so happy at best the answer may be Because For an adult this may be an unsatisfying answer but for the child it is the truth happiness exists just because As we age we seem to lose touch with happiness for no reason at all We see a world where everyone is striving for stuff striving for popularity striving striving striving The natural fount of happiness we once enjoyed disappears as we join them However that happiness is not gone All that happened is we lost our connection to it This book is about recovering that connection We all grow up believing that if we work hard and if we are good people we will enjoy good relationships with others good health success and a long life Obviously this is not true There are a lot of rich old people who are not happy What we have what we do and the other circumstances of our lives do not provide authentic happiness Instead happiness comes from inside of us and all by itself enables us to have secure relationships good health

more success and longer lives So what is the secret of being happy Being happy is a little like flipping a switch When it s on you are happy and when it s off you are not It s so easy How else can you explain being happy for no reason What you need to do is learn to turn it on and keep it turned on This book discusses seven practices that help you do that There is a lot of wisdom available about how to be happy Most of it is thousands of years old but some is quite new The seven practices we will look at incorporate this wisdom to help you learn how to turn on happiness in your life This kind of happiness does not require changing anything in your life All you have to do is learn to turn it on
