

INTERVIEWING / HIRING

DVD TRAINING COURSE!

ACTIONS Speak! Behavior-based Interviewing

Produced by MEDIA LEARNING INTERNATIONAL – released by MEDIA PARTNERS

For Your Business Issues On:

Hiring, Personnel Staffing, Recruiting, Retention, Selection Interviewing, Turnover

How -To-Training Points

- How to use job information to compose effective and defensible interview questions
- How to gain behavioral predictors that can forecast job performance
- How to use non-verbal indicators (feelings) to suggest follow-up probes
- How and when to ask for reverse information
- How to respect and manage silence
- How to avoid the "like-me" syndrome
- How to get specifics on personal qualities like character, honesty & integrity

Author, **Dr Paul Green** and Producer/Director, **Art Bauer**, have re-teamed to produce a fresh and entertaining approach to behavior-based interviewing.

"In the science of behavior-based interviewing, a lot has happened in the last thirty years. We made, ACTIONS Speak! to bring those new insights to the employers who need them." – Dr. Paul Green

Based on the time-tested truth, ***"Past actions predict future performance,"*** this new high-end production combines the elements of memorable storytelling, practical content and realistic acting to weave together a highly effective training course ***for a new generation of interviewers.***

Creative Approach:

The story takes place in a broadcast television studio during rehearsals for a weekly business news program. The host of the program has invited a special guest to help her review a new business book on employee interviewing techniques. As they begin to critique real world examples of interviews, the invited guest is less than helpful and decides to share his own strong opinions on the subject.

Behavior Description Interviewing Participant Package Introduction

In today's digital age, the availability of Behavior Description Interviewing Participant Package books and manuals for download has revolutionized the way we access information. Gone are the days of physically flipping through pages and carrying heavy textbooks or manuals. With just a few clicks, we can now access a wealth of knowledge from the comfort of our own homes or on the go. This article will explore the advantages of Behavior Description Interviewing Participant Package books and manuals for download, along with some popular platforms that offer these resources. One of the significant advantages of Behavior Description Interviewing Participant Package books and manuals for download is the cost-saving aspect. Traditional books and manuals can be costly, especially if you need to purchase several of them for educational or professional purposes. By accessing Behavior Description Interviewing Participant Package versions, you eliminate the need to spend money on physical copies. This not only saves you money but also reduces the environmental impact associated with book production and transportation. Furthermore, Behavior Description Interviewing Participant Package books and manuals for download are incredibly convenient. With just a computer or smartphone and an internet connection, you can access a vast library of resources on any subject imaginable. Whether you're a student looking for textbooks, a professional seeking industry-specific manuals, or someone interested in self-improvement, these digital resources provide an efficient and accessible means of acquiring knowledge. Moreover, PDF books and manuals offer a range of benefits compared to other digital formats. PDF files are designed to retain their formatting regardless of the device used to open them. This ensures that the content appears exactly as intended by the author, with no loss of formatting or missing graphics. Additionally, PDF files can be easily annotated, bookmarked, and searched for specific terms, making them highly practical for studying or referencing. When it comes to accessing Behavior Description Interviewing Participant Package books and manuals, several platforms offer an extensive collection of resources. One such platform is Project Gutenberg, a nonprofit organization that provides over 60,000 free eBooks. These books are primarily in the public domain, meaning they can be freely distributed and downloaded. Project Gutenberg offers a wide range of classic literature, making it an excellent resource for literature enthusiasts. Another popular platform for Behavior Description Interviewing Participant Package books and manuals is Open Library. Open Library is an initiative of the Internet Archive, a non-profit organization dedicated to digitizing cultural artifacts and making them accessible to the public. Open Library hosts millions of books, including both public domain works and contemporary titles. It also allows users to borrow digital copies of certain books for a limited period, similar to a library lending system. Additionally, many universities and educational institutions have their own digital libraries that provide free access to PDF books and manuals. These libraries often offer academic texts, research papers, and technical manuals, making them invaluable resources for students and researchers. Some notable examples include MIT OpenCourseWare, which offers free access to course materials from the Massachusetts Institute of Technology, and the

Digital Public Library of America, which provides a vast collection of digitized books and historical documents. In conclusion, Behavior Description Interviewing Participant Package books and manuals for download have transformed the way we access information. They provide a cost-effective and convenient means of acquiring knowledge, offering the ability to access a vast library of resources at our fingertips. With platforms like Project Gutenberg, Open Library, and various digital libraries offered by educational institutions, we have access to an ever-expanding collection of books and manuals. Whether for educational, professional, or personal purposes, these digital resources serve as valuable tools for continuous learning and self-improvement. So why not take advantage of the vast world of Behavior Description Interviewing Participant Package books and manuals for download and embark on your journey of knowledge?
